## FORMER STAYTON BOY RETURNS FROM FRANCE

Wagoner Alfred T. Hurling of Bat. A, 46th regt., Const Art., arrived at Criterion, March 30th. Mr. Hurling left the states with the U. S. troops Oct. 13th. After having spent four months in France, the U. S. seems the best place in the world to him. Although he has not been on the firing line he has seen and been to many places of interest. He has been farming at Criterion for the past three years and will make that place his home in the future.

## RECEPTION

A large reception was given at the home of Mr. and Mrs. P. J. Kirsch, of Criterion, April 6th, for Alfred T. Hurling, brother of Mrs. Kirsch. A large number of friends were present to welcome Mr. Hurling back from overseas. Fruit punch and angel cake were served in the afternoon. In the evening everyone enjoyed a cafeteria supper. The U. S. color scheme was gorgeously worked out in the decorations. The occasion was one which will long be remembered by Mr. Hurling.

Bangalore, India, Jan. 3, 1919  
To the Ford Auto Company  
Detroit, Mich.

Dear Sirs: I was reading a few advertisements of different papers on autos, pertaining to what they have done in this war. But nothing about our little Ford. So I'm writing you a few facts, which are as follows:

In France 700 cars out of 1000 were Fords.  
In Italy 850 cars out of 1000 were Fords.  
In Egypt 996 cars out of 1000 were Fords.  
In Mesos. 999 cars out of 1000 were Fords.

Under British capture, the first car in Bagdad was a Ford.  
The first car to cross the Persian mountains was a Ford.

The first car in the genuine Garden of Eden was a Ford.  
The first car in the Holyland was a Ford.

Lines of communication contained Fords by the hundreds from Bagdad to the Black Sea.

I have seen the Fords used as tanks, armored moving forts, electric light plants, water pumps, ambulances, supply cars, and lots of other things, and they were always ready for anything at any time.

These statements are facts as I have served in action all through the countries named. And I name the Ford the best auto in the world. The Iron-Mule-with-a-Kick.

I remain your friend,  
BOSUN GILBERT,  
313331-W. R. I. W. T. R. E.

A British American, Bangalore, India P. S. Also when we recaptured Kut, the first thing we landed on was a Ford with nothing left of it but its under frame, bare wheels, and engine. Forty five minutes afterwards, Mr. Ford was manned by a machine gun, and was on the chase of the retreating Turks and the Cobra Hun.

Some Record  
The above tells its own story. We have not added to, or detracted from it, one word or syllable, and it is doubtful if a higher tribute could be paid to the sterling merits and all around dependability of a motor car than that coming to the Ford car thru this simple letter from a soldier, who would not have the opinion he has of the Ford car if he had not seen it deliver a service unequalled, not only in the history of war, but in the history of peace.
