# Coming Back

America is proud of them—the whole world is proud of them. They finished their part of the job with a courage and daring best described by Marshal Foch in these words to General Pershing before the battle of the Argonne:

"Your men have the devil's own punch. They will get away with all that. Go to it."

**A**N IRRITABLE, fault finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach troubles by Chamberlain's Tablets after years of suffering. These tablets strengthen the stomach and enable it to perform its functions naturally. Try them. They only cost a quarter.

## SHOT 9 TIMES SOLDIER TAKES HUN TRENCHES

Corporal Storms Heights of  
Ourcq River With Remnants of His Platoon

At the direction of the War Department General Pershing has forwarded from France accounts of 100 deeds of heroism performed by soldiers of the American forces, most typical of the spirit of our army. The story of Corporal Sidney Manning is one of conspicuous gallantry.

Corporal Manning was in charge of an automatic rifle squad when his battalion assaulted the heights of the Ourcq River. During the advance on the hill Manning's platoon commander was killed, and just as the line reached the crest of the hill the platoon sergeant fell.

Corporal Manning then assumed command of the platoon. Though he himself was severely wounded and was the only survivor of his squad, this soldier led forward the 35 remaining men of the platoon against an enemy strong point, wired, entrenched and defended by machine guns, which dominated the Ourcq valley. He was repeatedly wounded but with seven men took the position. While his men consolidated the line he held off a considerable number of the enemy fifty yards away with his rifle. When the position had been consolidated he crawled back to shelter, having received nine wounds.

Backing up such examples of sacrifice as this the government is calling on the people to take the Victory Loan to pay for the expenses of our war time army.
