

METHODISTS GET READY FOR GREAT CENTENARY DRIVE

Campaign For \$105,000,000
To Rebuild World On.

DOING, NOT TALKING, IS AIM

Forty Million Dollars to Be Spent on Home Programme, \$40,000,000 on Foreign Field and \$25,000,000 For War Reconstruction.

The church in America intends to take its place in the forefront. From now on, its motto will be "doing," not talking.

Hence, in celebration of the 100th anniversary of the foundation of Christian missions, the Methodist Episcopal church and the Methodist Episcopal church, south, have joined in a nationwide Methodist centenary campaign.

Every phase of Methodist church life has been enlisted. The aim of the colossal campaign is the rebuilding of the world.

\$140,000,000 to Be Raised.

In brief, the Methodist Episcopal churches of both branches will ask for a total of \$140,000,000 for their joint aims. Especially detailed are those aims so far as they concern the Methodist Episcopal church, which in the seven-day period of May 18-25 will ask for \$105,000,000.

Here is how that money will be spent:

Forty million dollars on the greatest foreign mission programme ever conceived, lasting five years; embracing the building and operating of schools, hospitals, dispensaries, colleges and everything that will benefit mankind. Christianity will be preached too, but the aim of this new and bigger Methodism is to live Christianity and the brotherhood of man.

\$40,000,000 at Home.

Forty million dollars will go for a carefully detailed programme of home missions. But the programme again

BRILLIANT PREACHER IS CENTENARY LEADER

DR. A. L. HOWARTH

Dr. A. L. Howarth is the associate executive secretary of the \$105,000,000 Methodist Centenary movement for rebuilding the world, with headquarters at Portland, Or. Dr. Howarth is one of the most brilliant preachers in the northwest and during the Centenary campaign his every Sunday has been occupied with demands for addresses. As executive secretary, he supervises the business details of the vast Centenary plans in the Portland area, which consists of the state of Washington, a large part of the state of Oregon and northern Idaho.

calls for living Christianity and doing Christian things, rather than preaching Methodism. Great community churches in the big cities where there will be healthy amusements and where the church buildings will be open seven days a week; community churches in the country—\$11,000,000 alone will be spent on helping to make the country church a real factor, building cross roads churches, making allowances so that the rural church can get the best of pastors and pay them a salary that will interest them; educational work in the cities; help pastors to get a living wage.

Twenty-five million dollars will be expended in the next five years at the rate of \$5,000,000 on direct war reconstruction work equally divided between Europe and this country. Close on \$3,000,000 has already been spent by the sending to Europe of the first Methodist mission ship. Perhaps there were Bibles on board, but there were a great many more plows and tractors. That great ship was loaded to the gunwales with everything that could help a people to rebuild.

United Church Is Aim.

Methodism is preaching a united church—a common church. It is urging that churches unite, the smaller churches joining that the stronger one may be stronger yet.

"Let us have a strong, dominant Christianity," say the Methodist leaders. "Never mind about the especial brand."

"With Christianity and the golden rule ruling the world, peace, democracy and Christianity will be unitedly safe forever."

In the PUBLIC EYE

LLOYD GEORGE VS. NORTHCLIFFE

It looks like war to the knife between Lloyd George and Northcliffe. The British premier turned on the newspaper man viciously, and gave him a scolding that left nothing to be said. The viscount was pictured as a disappointed seeker after glory and power, whose failure to achieve his ambition as dictator in war and peace had left him suffering from injured pride. "Diseased vanity" was the diagnosis of Lloyd George—diseased vanity that sought to avenge itself by creating discord and suspicion among the allies.

The premier has challenged a powerful foe, but challenged him boldly.

Lloyd George and Lord Northcliffe probably are the two most influential personal forces in British politics, and now that they are fiercely and publicly at war, the effect on Mr. Lloyd George's political fortunes and the test of the influence of the Northcliffe press which is expected to follow, will mark the beginning of a new political chapter, the developments of which are being discussed with the liveliest interest.

Each man is an eager fighter, and the battle between the little Welsh "giant" and the "newspaper Napoleon" is not likely to be a tame one.

Catarrrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrrhal deafness, and that is by a constitutional remedy. Catarrrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrrhal Deafness that cannot be cured by Hall's Catarrrh Medicine. Circulars free. All Druggists, etc.
