

# THE STAYTON MAIL

25th. Year, No. 2.

STAYTON, MARION COUNTY OREGON, THURSDAY, JUNE 26, 1919

Serial No. 1159

## Pioneer Woman Passes To Great Beyond

Ann Elizabeth Koad was born in Angelsberg, Luxenberg, in 1847. In 1863 she came with her parents to America and settled in Iowa. She was married in that State to M. Streff and in the 1899 they came to Oregon and settled at Stayton where they have since resided.

To this union ten children were born, they are Mrs. Peter Arend, of Alexander, South Dakota; Mat J. Streff, J. J. Streff and N. J. Streff of Fort Dodge, Iowa; Mrs. John Brown, of Scio; Emma Streff, Mrs. Jake Spaniol, Mrs. H. J. Marking and Leo Streff of Stayton and Charles Streff of Mill City.

Deceased was sick about two weeks and passed to the great beyond Thursday morning, June 19th. On account of some of the children coming from Iowa, the funeral was not held till Wednesday of this week. The Catholic church was crowded with friends and relatives who came to pay their last respects to their departed friend and Christian. Rev. Fr. Lainck, officiated. Interment was in Catholic cemetery.

The pall bearers were: Chas. Gehlen, W. F. Klecker, Peter Deidrich, John Van Handle, Geo. Smith and J. P. Metz.

The sympathy of the entire community is extended to the surviving family.

## Albany Will Celebrate Fourth of July

Albany invites the entire Willamette Valley to participate in its Victory Celebration and reception to returned soldiers and sailors on July 4th. Elaborate plans have been made for the entertainment of an immense crowd and the eagle will scream as it never screamed before in this section.

One of the big features of the celebration will be the participation of the Loyal Legion of Loggers and Lumbermen from various parts of the valley. The Lumbermen will have most of the afternoon to themselves and will stage contests in Albany's new municipal park across the Calapooia river. There will be tug of war, log rolling, pillow fight and other contests by the loggers.

There will be baseball and other sports. The celebration will end with a big Mardi Gras and street dance in the evening.

## New Perfection Oil Cook Stoves

Bake Perfectly Have Glass Doors  
Keep Walls Clean and Food Warm

At the touch of a match, you have a flame that will do your cooking faster and without the dirt of ashes or kindling. You can also get instantly any slower cooking flame you want, right down to low simmering—a simple turn of the hand wheel does it. The flame is always in plain sight through the mica doors.

We will be glad to demonstrate to you the wide range of flame adjustment and ease of New Perfection operation.

## PIONEER PICNIC ENJOYABLE AFFAIR

Several Staytonites attended the Pioneer picnic last Saturday at the John Hunt place and report an enjoyable time. They say that the meeting Saturday was by far the largest and best that the pioneers have held for many a day. There were good speakers on the program and a real band furnished music. The picnic dinner was enjoyed by old and young and it was a day that will long be remembered by the pioneers of the valley.

## PICKERS ARE WANTED TO TAKE CARE OF LOGNBERRY CROP

The loganberry crop this year from present indications will break all former records and will give employment to thousands of women and girls who would otherwise be unable at this time to secure remunerative work in other lines. Orders have been sent to the Portland employment offices for help ranging from 25 to 350—mostly from Salem, Newburg, Brooks and other places.

Picking loganberries is not hard work and while the party is enjoying the outing he or she is making more than expenses. The weather promises to be ideal for gathering the crop and it is expected that there will be plenty of people to care for the large crop.

## AUTO ACCIDENT VICTIMS IMPROVING

Mr. and Mrs. Steve Philippi of Scio, who was in an automobile accident near Albany last week, are both improving from the shaking up they received when their auto became unmanageable owing to a broken steering rod. The machine ran up a bank and turned over and the wonder is neither of the occupants were seriously injured. Mr. Philippi is able to be around but Mrs. Philippi is still confined to the house with painful bruises about the shoulders and neck. Miss Hazel Philippi is demonstrating her skill as a nurse and a graduate in the culinary art and her patients are receiving the best care possible.

Miss Margaret Schaefer is visiting relatives in Portland for a few days.

## Uncle Sam Strikes Quick as Mexicans Threaten

Uncle Sam in 1916 and Uncle Sam in 1919 is something else again, as has been found out by Mexican revolutionary leaders. Pancho Villa in particular strayed bullets from Mexican guns killed one and injured several Americans in El Paso, Texas, across the Rio Grande from Juarez, Mexico, when Maj. Gen. De Rosey C. Cabell, commander of the U. S. border guard, ordered an advance of American infantry, cavalry and artillery across the Rio Grande at five points onto Mexican soil to meet the Angeles-Villa troops which were then advancing on Juarez.

der guard, ordered an advance of American infantry, cavalry and artillery across the Rio Grande at five points onto Mexican soil to meet the Angeles-Villa troops which were then advancing on Juarez.

## HAMMAN STAGE LINE HAS NEW JITNEY

Joe Hamman, proprietor of the Hamman Mill City-Stayton-Salem Stage Line, arrived from Portland last week with a brand new "jitney" which Joe will use on the run from Salem to Mill City.

To say that the Jitney is a beauty is putting it mildly. It is roomy and has real springs under it. Joe says, "There is nothing too good for my patrons."

Mr. Hamman has recently changed the schedule of the line and it may be found in another part of the Mail.

## ABILITY REQUIRED OF AUTO MECHANIC

That the motorist may be protected from the inefficiency of untrained automobile mechanics and repair men and that craftsmen may be protected from inefficient competition, the state board of auto mechanics examiners, created by last legislature, is distributing application blanks looking to the early examination and licensing of every auto mechanic in the state.

The examining board, E. E. Boggess, president; H. R. Fancher, vice-president and M. L. Granning, secretary-treasurer, will have its headquarters in Portland, application blanks may be obtained by addressing box 761, although applicants for examination may secure blanks from their county clerks, or from local garages. Examinations will be held later in 15 centrally located cities in the state and will cover various specialized activities of auto trades as well as the usual lines of motor repair work.

The board will examine with written, oral and manual tests, prepared, President Boggess declares, in an understandable manner and the applicant may be examined in any or all subjects for which he, in his opinion, is qualified. Upon completion of the tests the applicant will be rated according to his ability in at least three classes.

Deeming a purely theoretical examination unfair to many excellent mechanics who have had no theoretical training, such tests will be omitted. The classification of mechanics will serve the dual purpose of giving credit is due and to act as an incentive to others to increase their knowledge and efficiency in their crafts.

Mechanics who fail to take the examination will be subject to a penalty of \$100. The examination fee will be \$5.

## President "Passes Buck"

Despite the gracious gesture with which President Wilson passed the wartime prohibition buck to Congress and despite the well-known ease with which weather prophets get off on the wrong foot, we will predict a long dry spell beginning with July 1st and covering the entire United States. We are basing this prediction on the well-known aversion of politicians high and low to antagonize any organized body of men and women able to deliver a large chunk of votes for the polling booth. The prohibitionists are numerous, well organized, efficiently led and their votes are in great demand. In fact, the Democratic party cares as little for prohibition as the Germans care for American food. And the party that puts off the dry spell until January is bound to hear from every county in the Union. Therefore the only chance of keeping the sands of the Sahara from crossing the Atlantic lies in the willingness of the President to take back the buck and proclaim the end of the demobilization period on his own initiative. Perhaps his prolonged stay in Paris will give him the desire to take this action.—July Sunset.

## SALEM WANTS YOU ON JULY FOURTH

Every person in this vicinity and especially every soldier, sailor and marine or member of the Student Training Camp or men who wore the uniform is invited to be in Salem for the big celebration and welcome home for the boys. The boys are to be provided with all entertainment free including passes to the moving picture shows. The managers of the Movie Shows have generously thrown open their houses to every one who wore the uniform and all are welcome free. Be sure and read the big advertisement on the second page of this paper and decide to attend at Salem at least one day.

A picture showing the work of Germany and how she got possession of French soil in time of peace and fortified in preparation for the great world war. It also shows the working of the secret agents from two of the world's greatest powers. Come and see this gigantic picture at Star Theatre

## OLD POSTAL RATES TO RESUME JULY 1

Beginning with the first day of July the new rate of postage on letters and postal cards goes into effect. The postage on a letter weighing one ounce or less will be reduced from three cents to two cents and postal cards will be reduced from two cents to one cent, the new rates being practically the same as were in vogue before the war.

Postmasters will redeem all undamaged two cent postal cards and three cent stamped envelopes, either printed or unprinted, at their full value, provided they are presented by the original purchaser. These redemptions will not be made in cash. In each case postmasters will furnish in exchange for cards and envelopes presented for redemption, such postage stamps, postal cards, or stamped envelopes of other denominations or varieties as may be selected by the owner.

Postmasters are not allowed to redeem three cent adhesive postage stamps from the public. These stamps will continue to be good for use on mail of all classes requiring stamps to the amount of three cents or more.

These redemptions can only be made at the full value during the month of July. After that date postage value only can be allowed for the envelopes and three-fourths of postage for the cards. E. D. Alexander, Postmaster.

Mr. and Mrs. V. Dare Sloper spent Sunday visiting friends in Gervais, Oregon.

## MEHAMA WILL GET RAILROAD SOON

The logging line that the Silvertown Lumber Co. will build through Mehama, will be started right after the 4th of July. The line will be about five miles long and will start from the C. & E. road about a mile west of Lyons and run to the big timber of the Mill company. This will give Mehama railroad facilities, and that's more than Stayton has.

## SCIO RESIDENT DIES FROM BLOOD POISONING

Mrs. Jos. Lulay, of near Scio, died at the hospital at Scio on Tuesday morning, June 17th, from blood poisoning. The deceased was 23 years old at the time of her death.

Mrs. Lulay came to this country twenty years ago. She was married to Joe Lulay and leaves a husband and five children to mourn her loss.

She is also survived by 1 sister, Mrs. Joseph Silbenagel, 1 brother Louie Gissler and her parents, Mr. and Mrs. Gissler of Sublimity.

The funeral was held at Sublimity last Thursday morning with Rev. Father Lainck officiating. Interments was in Sublimity cemetery.

## CUPID BUSY AGAIN

Tuesday morning at the Catholic Church, occurred the wedding of two of our popular young people, when Rev. Father Lainck united in marriage Mr. Joseph G. Spaniol and Miss Freda Allis.

The bride is one of the popular school teachers of this and Linn counties and is very popular among the younger set of this community.

The groom is a son of George Spaniol and has recently returned from Uncle Sam's forces.

The romance was started "before the war" so to speak—and nobody knows—but us, how happy we are, now that we are together again—and the world is free," so say the happy couple.

Edward Forrett supported the groom and Miss Anna Spaniol was bridesmaid.

Mr. and Mrs. Spaniol left for a short honeymoon trip to Portland and other points of interest and will be at home to their friends soon on the J. B. Jeter place near Stayton.

Both the contracting parties have a host of friends who wish them all the pleasures of a happy wedded life.

"A Law Unto Herself" a play that will keep your interest to the last, Sunday 29th.

## Your Eyes

If you have any needs pertaining to your eyes or eye glasses bear these few points in mind: We make thorough examinations of the eyes with the most improved testing instruments.

All testing is done by a trained specialist. Every pair of glasses fitted by us is guaranteed. We make our own lenses. We can replace any lens you might break, no matter who fitted them. Just bring us the pieces. Our charges are moderate and you get the highest class of service. Consult us about your eyes.
