THE STORY OF THE LABEL

DID you ever think what the label means? When you see "BISHOP" do you realize what goes into that word and how much there is behind it?

The Name is a Signature

Like your name written at the bottom of a PROMISORY NOTE or DEED.

THE garment with no label is like an ANONYMOUS LETTER.

BISHOP'S on a garment means that a house of standing "assumes responsibility for it." That is the best that can be manufactured; that "when they are better BISHOP will have them."

We are receiving shipments every day by EXPRESS, and prices are going higher and higher each day.

If you have anything that you will need in the future you should take care of your wants today and at once.
