BROWN-PETZEL MILL CO. BUYS SEASON'S CUT

A deal was made this week whereby the Brown-Petzel Lumber Co. of Stayton, has contracted for the entire output of the Murphy-Gardner mill. The Murphy-Gardner mill is located two miles east of Stayton, where it will be in operation in a few days. This means that all the lumber cut by the Murphy-Gardner company will be delivered to the mill at Stayton, where it will be milled and prepared for shipment.

The Brown-Petzel mill is behind with their orders now and the product from the Murphy-Gardner mill will help them in supplying their customers.

This speaks well for the management of the Brown-Petzel Co., which not only keeps the producers profit at home, but a large portion of the jobbers and wholesalers as well, and insures co-operation of the manufacturers in this important industry in this community.

BUCK SHEEP GETS THE BEST OF BILL ENGLISH

Bill English is an admirer of fine sheep, and the other day he found where he could get a good specimen of the kind he wanted so he hied himself to Pratum and purchased Mr. Buck. Bill brought the buck home, turned him loose and the blamed cuss took after Bill. Before he knew it Bill was down taking the count with Mr. Buck waiting for him to get up. Bill received somewhat of a shaking up and says he will see that the fence is between he and Mr. Buck in the future.

STAYTON SCHOOLS WILL HAVE HOLLIDAY FRIDAY, SEPTEMBER 26

Prof. Ford, of the Stayton schools, announces that there will be no school Friday, September 27th. This will give the teachers and students a chance to attend the State fair the last two days.

FOLTZ-ROIDT NUPTIALS

At the Catholic church in Stayton, on Tuesday morning, at 9 o'clock, Rev. Father Laineck pronounced the words that joined Mr. Herman Foltz and Miss Anna Roidt in the holy bonds of wedlock.

The ceremony was performed in the presence of a number of relatives and friends of both the contracting parties.

Miss Ida Boedigheimer was bridesmaid and the groom was attended by Mr. Edward Foltz.

Immediately after the ceremony the couple and their friends left for the home of the groom's parents, Mr. and Mrs. John Foltz at Jordan, where an elaborate wedding dinner was served at two o'clock to the wedding party and a number of immediate friends.

The bride is the daughter of Mr. and Mrs. Adam Roidt, of near Shelburn and well known in Stayton where she attended the local High School a year ago and has many friends among the younger set of our town and community.

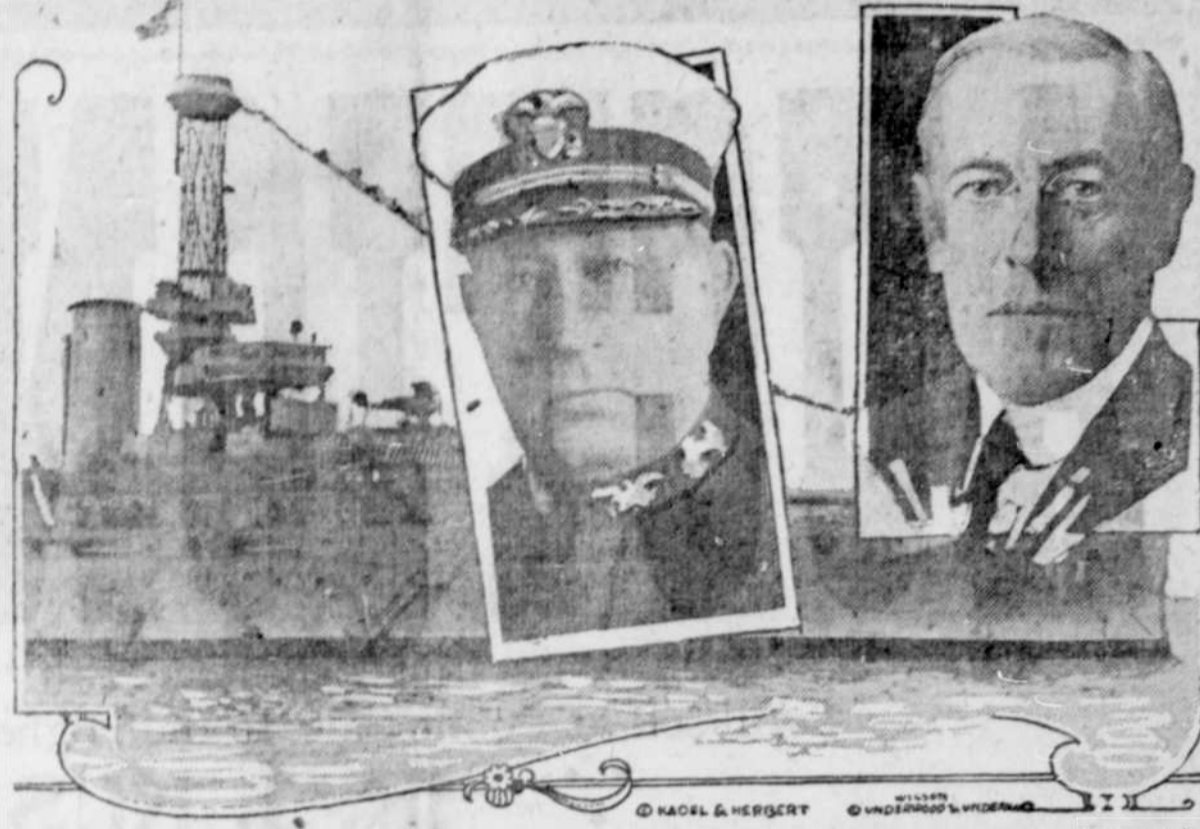

The groom is a son of Mr. and Mrs. John Foltz of Jordan. He is at present engaged in the saw mill business and also connected with the cheese factory at Jordan.

Those present at the wedding dinner were: Mr. and Mrs. Roidt and family, Mr. and Mrs. John Foltz and family, Grandpa Foltz, Lizzie Foltz, Uronice Foltz, Barber Schlice, Mrs. Marking, Viola Brown, Mr. and Mrs. John Thoma and family, R. R. Pepperling and family, Frank Pepperling and family, Fred Pepperling and family, Frank Linderman and family, Hilda and Mildred Williams, Mr. and Mrs. Geo. Zilinski and Rev. Bonafice.

In the evening a free dance was given by the groom at Jordan, which was attended by one of the largest crowds ever seen at that place. Music was furnished by Wesley and Arnolds Jazz band of Seio, and it was in the wee 'sma hours of the morning that the merry crowd bid the happy couple adieu with hearty congratulations for the future.

Mr. and Mrs. Foltz left Wednesday for Portland where they will spend the week and will be at home to their many friends after the state fair. They will reside in Stayton this winter and will occupy the Magg residence near the high school.

CHANCE TO HIT HIGH PRICES A HARD BLOW

The United States Government paid out more than \$5,000,000 on Monday in the semi-annual interest to holders of Third Liberty Loan bonds in the twelfth Federal Reserve district. Monday's interest payment, added to the two previous interest installments paid on the Third Loan bonds by the government, gives a total of nearly \$18,000,000 earned since May, 1918 by the \$287,975,000 invested by 1,402,584 purchasers of bonds of the third loan in this Federal reserve district.

"Be sure and clip your coupons and cash them," is the advice broadcasted to holders of the third loan bonds by Robert E. Smith, director of the War Loan organization of the 12th district. "Coupons uncashed are idle money. It is no trouble to cash your coupons. Just clip the September 15 coupon off and present it at any bank and you will get your money. It is no more trouble than getting change for a bill."

If all bondholders in America cash their coupons there will be in circulation nearly \$85,000,000 more money than was in circulation before. That is approximately the total amount of interest to be paid out on the third loan as a whole.

"Here is a chance for the people to hit high prices a hard blow." "Every man, woman and child who owns a Third Loan bond should cash the coupon and immediately buy Thrift or War Saving stamps or Treasury Savings Certificates which bear more interest than the bonds. Investment of the Third Loan Bond interest at the bank window immediately upon cashing the coupons will keep that \$85,000,000 out of circulation and thus help keep prices down.

Jacob Seigmund has purchased the E. Roy residence on Ida and A streets. Mr. Seigmund has decided to retire from farming and will move into town for the winter.

BROWN-PETZEL LUMBER COMPANY GETS LUMBER CONTRACT

The Brown-Petzel Lumber Co. of Stayton were awarded the contract to furnish the lumber for the buildings at the camp that the State is putting up on the old Porter place near Aumsville. About 10,000 feet will be used. The big truck from the penitentiary is here today after some of the material.

The camp is being established for the purpose of cutting a large amount of wood for the state institutions. The work to be done by convict labor.

Work was commenced on the repair work of the flume that leads to the city pumping plant, this morning. It will take three or four days to finish the work and during that time the city water will be turned off. The few pumps in the city will be taxed to their full capacity during that time.

The Stayton schools opened Monday with a full corps of teachers, and the work of getting the course of studies in shape for the winter is well under way. There are more students enrolled in the high school now than there were last year. There are 33 attending from outside the district.

SOMEONE IS ALWAYS TRYING TO TAKE THE JOY OUT OF LIFE

A bill has been filed with the Secretary of State to make unlawful the sale, use or to have in one's possession cigarettes after the first of January, 1921.

For the first violation of the proposed law a fine of not more than \$100 is provided, for the second violation not more than \$200 or less than \$25.00 or by imprisonment in the county jail not to exceed thirty days. It will go kind of hard with some of us if it passes, but then we will have a year to swear off in anyway.

Notice For Bids

Notice is hereby given that bids will be received by the undersigned at the law office of Virgil H. Massey up to the 26th day of September, 1919, for excavating and filling 802 feet of trench for water mains on West Water Street, also 279 feet on 2nd street in Burrows addition to Stayton; also 596 feet west from 2nd street. All of said trenches to be excavated 18 inches deep and filled after the mains have been dug. For further particulars inquire of J. B. Grier, City Recorder
