There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, prenounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional ren.edy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dellars reward is offered for any case that Hall's Catarrh Medicine falls to cure. Send for circulars and testimonials.
