Ford
THE UNIVERSAL CAR
The Ford car can well be called the "peoples car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it. GIVE W. S. S. FOR CHRISTMAS IS U. S. APPEAL

Governor Calkins Urges Government Securities for Presents Instead of Luxuries

Governor John U. Calkins of the San Francisco Federal Reserve Bank has written a letter to all banks and trust companies in the Twelfth Federal Reserve District urging them to promote, wherever possible, the sale of War Savings Stamps and Treasury Savings Certificates for Christmas presents this year.

The increased demand for these Government securities, the Treasury Savings Certificates being similar to War Savings Stamps in denominations of \$100 and \$1000, is apparent from the fact that the Federal Reserve Bank supplied \$60,200 worth of Treasury Savings Certificates to eighteen banks in the district on November 20, which is the largest amount sold in one day since the close of the war. On the face of the demand of these eighteen banks and the increased call for the securities from all postoffices throughout the Twelfth Federal Reserve District, it would seem that the Government's holiday slogan, "Give a War Savings Stamp or a Treasury Savings Certificate for Christmas," is being followed out, and the Government is hoping that by giving War Savings Stamps and Treasury Savings Certificates for Christmas gifts the district will closely approximate its War Savings quota for the year.

A portion of Governor Calkins' letter follows:

"The Christmas holidays are almost upon us. Everything points to a tremendous outlay of money in the purchase of holiday gifts, the greater portion of which I think I am safe in saying will be luxuries. The present situation demands not that more money be spent in the purchase of luxuries, but that we curtail as much as possible, with the consequent beneficial contraction of credit.

"Therefore, I appeal to you as a fellow banker to do everything within your power to stimulate the purchase and giving of War Savings Stamps and Treasury Savings Certificates as Christmas presents in place of the usual needless and expensive gifts. It seems to me that the responsibility of leading men's minds along the ways of thrift and simple living rests to a great extent upon the bankers of the country and in asking you to push the sales of Treasury securities during the Christmas holidays, I am asking you only to take advantage of an opportunity to meet this responsibility."

In addition, Christmas posters carrying an appeal to give War Savings Stamps and Treasury Savings Certificates for Christmas presents will be distributed throughout the Twelfth Federal Reserve District, and all banks have been asked to include a similar appeal in their advertising.

Liberty Bonds and War Savings Stamps Help Support Idle Workers

One of the reasons the striking shipyard workers in seven plants around San Francisco bay have been able to hold out for their demand of eight cents an hour increase is that collectively they own more than \$7,000,000 worth of Liberty Bonds and about \$200,000 in War Savings Stamps. "The Liberty Bond and War Savings Stamps holdings of our men have certainly stood us in good stead," said Frank Miller, secretary of the San Francisco Iron Trades Council. "When we win our demand I am going to recommend that the men save that eight-cent an hour increase and invest it weekly with the Government in War Savings Stamps. They provide an ideal way for the workman to save."

C. A. Farnsworth, associate director of the War Loan Organization for the Twelfth Federal Reserve District, said: "Secretary Miller's figures on the Liberty Bond holdings and their investment in War Savings are conservative and there is no doubt that they have aided greatly in enabling the men to support themselves while on strike. The men can borrow the face value of their Liberty Bonds without sacrificing the bonds and they can cash in their War Savings Stamps."

The Government's War Savings Stamp is the working man's weapon against a hand-to-mouth existence. It helps him get ahead.

A \$5 Christmas present for \$4.23—a War Savings Stamp.

Give him a War Savings Stamp for Christmas—a \$5 present for \$4.23.

Any bank or postoffice will sell you a \$5 Christmas present for \$4.23—a United States War Savings Stamp.

A Seattle labor leader buys War Savings Stamps "because," he says, "the interest on them will offset the war taxes I have to pay whenever I buy anything."
