Used To Be Worse

Having frequently made the seemingly raw assertion that the world is getting better, it seems out of us to prove it, or at least to make an effort to, so here

we have to wear boots off with a bootjack, or blood vessels and nerves, do we? Well, a lot, as anybody used to wear those old boots and kick the baseboard of the morning trying to and then break the feet about not swearing, evening, trying to. The dudes, or they were termed in old days, wore calf which were not so a squeak like some lepped on a mouse, everyday men wore pants tucked in and pulled outside on Sunday went to meetin' they had to go to be some of 'em

crimes of '73' we have a new ones of such as farming trusts, profiteering and sticking our gum around where people sit on it and say things they ought not to.

We have outlived the horrors of Mother Shipton's prophesies, but still have some pretty bad by Taft, Sherman, Knox and Bryan.

The ladies do not wear chignons, tilter hoops or bustles, for which let the Lord be thanked—in fact they don't wear much of anything top or bottom and only a little amidships.

Sidewalkers are not rampant like they used to be, and neither are the literary efforts of Jos Billings or Artemus Ward, tho, of course, we still have the society sections of the Sunday papers and similar junk to contend

Geo. Davie Will Move Barber Shop To Matthieu Bldg.

Work was started this week on the south room of the Earnest Matthieu building for the purpose of making it nice and comfy for Geo. Davie's barber shop.

George is forced to move on account of Forrest Mack purchasing the ground on which his present shop stands, and will vacate the present place on Sunday, Feb. 29, if everything goes well.

George has been in business in the present place for the past ten years and it will seem kind of queer to not find him at the old stand.

Mr. Mack will move to the Davie place soon, but whether he will occupy the same building or will erect another we are unable to learn at this writing. Anyway with both shops so close together it will be a cinch to get shaved when in a hurry.

MOTHER OF G. F. HAROLD DIES

Quinaby, Ore., Jan. 31.—The entire community was saddened by the death of Mrs. Marie Harold which occurred last Tuesday, the funeral taking place from the family home, "Glen Harold," on Friday at 1 o'clock. Practically the entire countryside was present to do honor to this worthy woman, who for 37 years has been endeared to her neighbors by the splendid traits of character she possessed.

Mrs. Harold was 91 years of age, 51 of these years having been spent in America and 44 of them in Marion county. She was born in Vienesken, Sweden. She was the mother of nine children, five of whom survive her, Christina Harold, Alex and Frank of Quinaby, Gus of Stayton and J. P. of Axtell, Kansas. Her husband preceded her to the grave 27 years ago. In addition to the children 21 grandchildren survive her, six of whom acted as pallbearers. The funeral service was read by Rev. J. S. Burns of Quinaby and a quartette sang "Abide With Me," "Face to Face" and "The Beautiful City." Her's was a busy life. The last few years of her life were spent in a helpless condition, but she bore with cheerfulness and patience her cross.

The tasks that so often taxed her, The children she held so dear, The strain of the coming and going, The stress of the mending and sewing, The burden of many a year,

Trouble her now no longer, She is past the fret and care, On her brow is the angel's token, The look of a peace unbroken, She was never before more fair.

You see, she is waiting the angels, And we—who are standing apart, For us there are loss and sorrow; For her is the endless morrow, And the reaping time of the heart.

Her three sons, Gus, Alex and Frank, her nephew, Ralph, and her grandnephew, were at the funeral. Mrs. Harold passed away peacefully surrounded with many friends. Interment in the cemetery.

Stayton High Wins Two Games Of Basket Ball

The Stayton High School basketball team defeated the Lebanon high school five, Friday with a score of 16 to 13.

In the first half both teams worked hard, but neither accomplished much. Lebanon's close guarding kept the score low and had the advantage over Stayton at the end of the half by a score of 8 to 4.

Stayton came back in the second half with the determination to win and her fast playing and good team work gained for her 16 points to Lebanon's 13 at the end of the game.

Stayton High defeated the Mill City American Legion team by a score of 22 to 17 Tuesday evening, on the home floor.

The game was one of the most thrilling of the season, due to especially fast and effective team work and to clever and skillful playing on the part of the Stayton five.

The game had scarcely started when Stayton made a field basket and she continued in the offensive during the remainder of the game, leading by a score of 14 to 7 in the first half.

During the earlier part of the second half, Mill City commenced to gain, and for a time lacked only three points of tying the score, but Stayton finally worked back into the pace she had set for herself. Although Weisenberg and Fisher had to quit, the game went on with a rush and Stayton gained her victory by a score of 22 to 17.

Valley Motor Co. of Salem Takes Over Ford Business Of Peter Deidrich in Stayton

Benefit Entertainment

Good will to mankind through service to childhood is the active principle of the Marion County Children's Bureau, with headquarters in Salem. Just now this principle is being exemplified in the earnest and intelligent interest which members in the Capital City are taking in child work, not only in their own city, but in towns throughout the valley as well.

So that the work so successfully begun a few months ago will not lag because of lack of funds, the women of the bureau are making plans for a large benefit entertainment to be given in Salem February 20th.

The use of the Grand Opera House has been given for the evening and every Salem business man so far solicited for funds or other assistance has most gladly responded. Tickets will be sent to a well-known person or business house in the towns of the county, who will see that every one interested in the welfare of the babies and small folk of the county are given an opportunity to support the work by purchasing a ticket for the entertainment. Adults will pay fifty cents for tickets, children and students twenty-five cents each.

Prof. Arthur von Jessen, prominent pianist of Portland, will be the stellar attraction on the program. Assisting him will be popular Salem vocalists and readers.

The February eugenic clinic will be held in the Salem Commercial Club on the 19th, at 1:30 o'clock. Requests for registration to any of the clinics should be mailed to Mrs. F. von Eschen, 1775 Court street, Salem. The March clinic will be for only children who are in any way abnormal and in consequence proving a problem to parents. Hereafter children past clinic age (six months to six years) will be accepted for examination on clinic days but will not be registered

B. W. Vick, of the Valley Motor Company of Salem, has been in Stayton since Monday taking invoice of the stock and auto accessories, also shop equipment and office fixtures formerly owned and managed by Peter Deidrich.

Mr. Vick states that Mr. Luther Stout, at one time a resident of this city, will have charge of the Ford parts and sales department.

Mr. Norman Kennedy, who has been in the employ of the Valley Motor Co., (formerly Vick Bros.) of Salem for the past six years, and who is thoroughly versed in mechanics, and who is already favorably known to many Stayton Ford owners, will have charge of the service department.

It is the intention of the new company to put in a first class shop equipment so that Ford owners can be taken care of as well in Stayton as in Salem.

Mr. Vick expresses himself as being very enthusiastic over the business outlook in the added territory. But adds that the farmers will have to be educated up to the idea of power farming, which will be taken up with them very thoroughly by Mr. Robert Perlich of Salem, employed as salesman by the Valley Motor Co., who will devote his entire time to the new territory.

The new company will devote their entire efforts to Ford sales and service and that in this way they will be able to render prompt and efficient service to the public.

nor furnished score cards.

The bureau, among its other activities has undertaken a series of monthly lectures to mothers upon topics of vital interest to them—the first of which will be held in the Commercial Club room Thursday afternoon, Feb. 5th. The women are also establishing hot soup and chocolate counters in the public schools along with scales and charts for weekly reports. It is probable that the system will extend to other schools in the county.
