Your Teeth and You

You needn't be afraid of pain if you have your teeth cared for by dentists using the E. R. Parker System. You needn't lose much time, for under this System your work will be done with fewer visits, especial attention being given to out-of-town patients. You needn't have doubts about being satisfied, for Parker System dentists are just as particular as you are. You needn't worry about price, for it will be as low as good dentistry can possibly be done for. But you ought to be afraid of one thing, and that is delay. The longer you neglect your teeth, the worse they get. Bad teeth never grow better unless good dentists help them. Consultation and advice free. There are twenty-four E. R. Parker System offices, the nearest being at State and Commercial Streets Salem, Oregon, Painless Parker Dentist.

Unwise Labor Interference

Seattle Central Labor Council resolutions condemn the court at Montesano for not giving the I. W. W. murderers of the American Legion men a change of venue. Then a labor jury is set up, as was done at the trial of Tom Mooney in San Francisco, to conduct the trial of the same I. W. W. who shot the service men at Centralia. What did organized labor, or rather the left wing of radicalism gain for itself or for labor in raising funds and fighting the battles of the men who bombed the Armistice Day parade? It has permanently hurt the cause of honest labor advocates and the same results will follow championing of the cause of the murderers of the American Legion on trial at Montesano. The spread of the open shop idea on the American plan of

guaranteeing to every man the right to work on terms that he can agree on with his employer is the result of such radicalism. The jury was evidently getting on the judge's nerves, and at last he announced: "I discharge the jury!" "A tall, lean member of the 12 then rose. "Say, judge, you can't discharge me!" "Can't discharge you? Why not?" "I pondered the judge. "Waal," replied the jurymen, pointing to counsel for the defense, "I was hired by that guy over there!"

Cletrac TANK-TYPE TRACTOR

20 Horse-power at the pulley—12 at the drawbar

Pulls a surprisingly big load for its size. That is because the Cletrac has succeeded in combining power with smallness. It is the ideal all-purpose tractor for the average farm. Built for hard work, it costs little for upkeep and operates at small expense. Works at all seasons, in all weather. It is the tractor you have been looking for.

Only tank-type tractor with track wheels running on roller bearings. Motor is dust-proof. Air for carburetor is water-clarified. New tank-type, 8-inch-wide, single-grouser track.

Let us demonstrate the Cletrac on your own place. No obligation.
