WHAT REDS WOULD HAVE US SING

A light of revolt was shining On a country far over the sea. The forces of rulers to sever And the flag of the earth to unfold To secure our freedom forever And a world of beauty untold.

Thru ages of toll and despair. To comply with the plutes' ambition With never a thought nor a care. An echo from Russia is sounding 'Tis the chimes of a True Liberty, It's a message for millions resounding To throw off your chains and be free.

CHORUS. We will fight for our Class and be free, A Kaiser, King or Czar, no matter which you are You're nothing of interest to me, If you don't like the red flag of Russia, If you don't like the spirit so true. Then just be like the cur in the story And lick the hand that's robbing you.
