## Your Teeth and You

You needn't be afraid of pain if you have your teeth cared for by dentists using the E. R. Parker System. You needn't lose much time, for under this System your work will be done with fewer visits, special attention being given to out-of-town patients.

You needn't have doubts about being satisfied, for Parker System dentists are just as particular as you are.

You needn't worry about price, for it will be as low as good dentistry can possibly be done for. But you ought to be afraid of one thing, and that is delay. The longer you neglect your teeth, the worse they get. Bad teeth never grow better unless good dentists help them.

Consultation and advice free. There are twenty-four E. R. Parker System offices, the nearest being at

State and Commercial Streets Salem, Oregon. Painless Parker Dentist.

## HAS YOUR CLUB SET ITS RED CROSS DAY?

A series of Red Cross "club days" are to be held in all parts of the United States during October. Granges, Church Societies, Business, Commercial, Rotary, Kiwanis, Advertising, Fraternal, Woman's and other clubs, are being invited to set aside a regular meeting or a day for a special luncheon at which plans will be made for aiding the Third Red Cross Roll Call, to be held throughout the country November 2 to 11.

The clubs will call for volunteer workers, including prominent members for speakers, in the interest of enrolling members for the peace-time program of the Red Cross. Many of the speakers on the war-time activities of the Red Cross will be former service men and women who came in contact with the Red Cross on the field of action.
