

OUR FIRST ANNUAL ANNIVERSARY

SALE! SALE!

Beginning Sat., February 28th, Continues until Sat., March 6th

Just twelve months ago we moved into our present location and through the kind patronage extended us by the public, we have been able to build THE LARGEST GROWING GENERAL MERCHANDISING STORE IN THE VALLEY. This patronage we greatly appreciate and have resolved that a good way to show it would be to inaugurate

AN 8 DAY PROFIT SHARING SALE

That will give your 1920 Dollar a 1916 Purchasing Power. It is not our intention to run an odds and ends sale, nor is this a closing out sale of left-overs. NEW BRIGHT STAPLE GOODS are offered to you. Merchandise you need every day, every tomorrow and every next day is placed on sale for you to take advantage of. It will be your loss not ours if you don't. We have direct connection with eastern factories where the merchandise you buy is manufactured. By direct buying in large quantities for our three stores we are able to get quality merchandise without paying either the wholesaler's or the jobbers' profit. Now we base our price on our large turnover at a smaller margin of profit. We cordially invite you to come in and look over our stock. You need not spend one cent. We simply want you to know what we have and what our prices are. Just to show you how far the People's Cash Store can stretch the purchasing power of your dollar, look below
