Cletrac TANK-TYPE TRACTOR

20 Horse-power at the pulley — 12 at the drawbar

Combines small size with power and stamina. Pulls a big load at proper speed, yet works close to trees and turns easily in small places. Does a thorough job at low cost, with minimum of upkeep expense. It's the ideal tractor. Does all your work—all the time.

Motor is dust-proof. Track is new tank-type, 8-inch-wide, single-grouser. Air is clarified by water. Runs on large roller bearings.

A demonstration on your own land, doing your own work, will convince you that the Cletrac is the tractor you've always wanted. No obligation.
