

Make Your Money Go Farther

We all know even furniture and rugs are higher in price than they used to be.

We also know our money will not buy more merchandise than other people's.

And we know we cannot buy eighty cents what the other party has to pay one dollar for.

We do know our dollar will go as far as any one's will in buying furniture.

But we do know we are satisfied with a less profit on furniture and rugs than are most merchants, and that is one, and the main reason, our business is growing so rapidly.

First class, dependable merchandise at fair prices, and good service is our motto.

For furniture, rugs and kindred lines.
