### SCHOOL NOTES

There will be a baseball game between Stayton and Jefferson Hi on the home grounds Friday afternoon at 2:30. All of the Jefferson High School Students are expected to attend the game, and also the members of the deputation team of the Willamette University.

The Freshmen and Sophomors defeated the Juniors and Seniors in a ball game last Friday afternoon. The score being 8-6.

Under the auspices of the Hi Y. Club, the deputation team of ten students of the Willamette University with Mr. Walter, Co. Y. Secretary, will put on a program for the High School students, Friday afternoon at one o'clock. Friday evening a genuine stag mix will be held in the gymnasium. Saturday evening they will conduct a community sing in the high school auditorium.

Yell practice has been one of the main features of high school activity the past week.

The list of subscribers for the athletic fund and the expendi-

tures will be published in next week's paper.

Since all of the students have returned again work on the play "The Hoodo" has been resumed. The date for the play is April 6.

Separate pictures were taken of the classes of the High school and the grades last week. They are very good.

The Junior class presented Maysel Montgomery with two pictures, one of the junior class and one of the student body.

Miss Ella Ratnford visited in Miss Ruby's room Tuesday afternoon.

Olive and Esther Stewart visited with Miss Holder's pupils Tuesday afternoon.

The eighth grade class has begun their agricultural work this week.

#### AUTHOR'S WIFE JOINS

Mrs. Booth Tarkington in Leonard Wood Campaign.

Indianapolis.—Mrs. Booth Tarkington of this city, wife of the famous author and playwright, has been appointed chairman of the women's committee in Indiana for Leonard Wood for president. Harriet E. Vittum, national chairman of the Wood women's committee, also has named Mrs. Curtis Hodges of Indianapolis to be vice chairman of the women's committee in Indiana.

"An all-around good shot. That's us." —Chesterfield

WHAT we're aiming at, is that it takes both skill and precision to blend tobaccos the Chesterfield way. Maybe this is why you find "Satisfy" in Chesterfields and nowhere else.

## VICTROLAS

We should be very glad to demonstrate to you that the Victrola is the most versatile and so the most interesting of all instruments, and that it contains greater possibilities of musical satisfaction than any other instrument the world has ever known. For this purpose you will be able to select your own favorite music from the Victor Record Catalogue in which more than six thousand records are listed and which covers the entire field of musical art.

### VICTROLA IX

Mahogany, Oak or American Walnut cabinet, 43 inches high 20 inches wide, 23 inches deep, 12 inch turntables, Nickel-plated Victrola No. 2 sound box, new improved Victor tapering tone arm and tapering "goose-neck" sound box tube.
