

FIVE DAYS OF BIG EVENTS

OVERSEAS ORCHESTRA AT CHAUTAUQUA

The musical climax of Chautauqua week comes on the third day in the two concerts by the Overseas orchestra, a Chicago organization of eight talented girls, who won unusual recognition in France and Belgium as entertainers for our boys of the A. E. F. They scored instantaneous successes in London and Paris, but their real work lay in the big camps and hospitals. Many of their concerts were given in the open in all sorts of weather, in stable lofts, in ruined buildings and on improvised platforms of all sorts.

WALTER L. TOOZE, JR.

Is a candidate for election as Delegate to the Republican National Convention from the First Congressional District, and his number on the official ballot is No. 30.

Mr. Tooze says his slogan is: "Republican Victory supreme National Importance; For President, your choice my choice." It is my honest opinion that a republican victory next fall is absolutely essential to the future welfare of America. Defeat would be interpreted here and abroad as an approval of the autocracy and obvious mistakes of the present administration, as well as offer encouragement to the radical and disloyal elements now infesting American public life. Domestic concerns, as well as international difficulties, demand a change of administration so that our people may cope with the grave situations confronting them by the application of the rules of Americanism as promulgated and upheld by the republican party. Firmly believing that the best interests of the nation and the best interests of the

republican party are at this time inseparable, we have a grave duty to perform, and must make no mistakes either in candidate or platform. If elected, I shall vote your choice for President.

DAVID H. LOONEY

Of Jefferson, Republican candidate for Representative of Marion county, was born at Jefferson in 1852. He attended Jefferson institute and Willamette university and has been a leading farmer and breeder of pure bred Jerseys in Marion county for years. He was a member of the 1919 legislature and president for three terms of the state board of Agriculture and a member for many years.

His slogan is: "Farmer; will serve county and state to the best of my ability."

If nominated and elected Secretary of State, San A. Kozar, now Deputy Secretary of State, promises to give to that office that high degree of efficiency which the people are justified in demanding of a public official.

Ivan G. Martin

Republican

Candidate

For Representative

I grew up a farmer boy, went to the country schools, clerked in a store; then was city editor of the Capital Journal for three years. Educated in Willamette University, Business College and University of California; paid my way through law school by teaching band in San Francisco; am a taxpayer in three counties.

Why I Ask Your Support.

I am on a special committee to report at next session on drainage of lands.

I believe that regulations could be enforced to more effectively prevent profiteering; believe that the voters of each county should fix the salaries of their county officials. Let's take it out of the legislature. There are other measures for your interest.

I believe that your delegation should have an attorney as one of its members for the reason that he would doubtless be a member of the laws committee where a great many important measures are acted upon. If you believe from my experience and record that I am efficient and deserving and that I, owing to this experience and personal acquaintance with the members of the legislature, can serve you more effectively in the next session, I will appreciate your support and will strive to be fair and shall at all times solicit your advice and help.

STATE ROADS

Vote 302 X Yes

For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes

303 No

CONSTITUTIONAL AMENDMENT--Referred to the people by the Legislative Assembly.
LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS.--Purpose: To amend Section 2 of Article XI of the Constitution of the State of Oregon so as to permit the creation of debts and liabilities including previous debts and liabilities for the purpose of building and maintaining permanent roads to the amount of four per cent of the assessed valuation of all the property in the State of Oregon, instead of two per cent as now provided by law.

NO PROPERTY TAX--NO DIRECT TAX
NO INCREASE IN AUTO LICENSE FEES
NO INCREASE OF GASOLINE TAX

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient funds to match Federal apportionments or Oregon cannot get the benefit of Federal money. Roads increasing this constitutional limit is a necessity. Unless underwritten, either state roads cannot be completed for many years, or must be finished by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the road built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenues from auto license fees and gasoline tax, without increase of present rates, will be sufficient to pay both principal and interest on these bonds, is clearly set forth by official figures in the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for verification. Examine the table carefully. It proves that no property tax is required and that present rates for auto license fees and gas tax will redeem principal and interest and yield surplus besides.
