L. T. RIGDON'S FINAL WORD

I wish to express my appreciation of the splendid support and encouragement the people of Stayton and vicinity have given me in my campaign for Coroner the outcome of which I await

with confidence. Wherever I have been I have not found a single voter that did not believe that 24 years is long enough for a man to sit on a county job and that the time was at hand for a younger and more progressive man to be elected. If nominated and elected I will conduct the office in the most efficient and economical manner.

Lloyd T. Rigdon.

Your Teeth are an Expression of

YOUR PERSONALITY

Do You Smile With Your Mouth Closed

Do you know that when you are talking to a friend or acquaintance, while you are looking into that person's eyes, he is looking at your mouth?

Do you want your friends to remember badly decayed, broken-down teeth, and unsightly gums?

You can have your teeth restored to proper order under my New System of Dentistry, without the enormous expense, useless pain and waste of time that such work formerly required.

In my office you will find modern, sanitary equipment, where you can have your teeth fixed for less than you expected to pay. A trained Dental Nurse assists in looking after the comfort of my patients and cares for children while parents are being treated.
