COMMUNITY HEALTH

Red Cross Nurse Gives Helpful Lecture at Chautauqua.

On the third afternoon, Mrs. D. Pirie Beyer, American Red Cross nurse, who served four years with the American Ambulance corps at the front in France, Belgium and Holland, is coming to deliver her lecture, "Human Life in Relation to Americanism."

Mrs. Beyer took part in five great military operations, Chateau Thierry.

St. Mihiel, Cantigny, Soissons and the Meuse-Argonne. She has received two citations for bravery under fire.

The message Mrs. Beyer brings is of great import. She pleads for community nursing and public health work to save this country from a generation of weaklings and degenerates.

Two War Heroes.

The two colored soldiers of the American army in France who became famous for their bravery and courage in preventing more than twenty Teutons west of Verdun from executing a well-developed plan to assault one of the most important points of resistance on the American front, have been decorated by the French. Their names are Henry Johnson and Needham Roberts. Both are private and members of the old New York National Guard. It is said these men have been awarded the war cross by the French general of the division under whom the unit is serving, and that Johnson is scheduled to receive the much-coveted gold palm of the French army commander as well.—Southern Woman's Magazine.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.
