asked to cooperate with the committee. An effort was made shortly after the burial of Mr. Davenport to secure funds for a monument and the small amount raised is still in the Ladd and Bush bank. The committee will meet soon, and formulate plans whereby it is hoped to secure at least \$2,000 for the erection of a monument to the memory of the great cartoonist. -Capital Journal.

Mr. and Mrs. Rudolph Kusy and Mrs. Silhavy and Uriah, motored to the Silhavy ranch on the Little North Fork Sunday. They report that the house near Mehama, occupied by Charley Stevenson, burned to the ground that day, the occupants losing nearly all the contents.

John Benedict, living west of Sublimity, was badly injured on Friday last. He was stretching wire on a fence when the stretcher broke, and a block of wood attached to the affair struck him on the head. It is thought there is a slight fracture at the base of the skull; as he was unconscious for some time. Dr. Brewer attended him. He is reported now gaining and it is expected he will soon recover.

Prescriptions

There is a carelessness in weighing and mixing of prescriptions at Beauchamp's that will mean much to you.

Abe Opliger was found dead near his home in Silverton, Friday, June 9. Life had presumably been extinct for several hours when the body was found by a brother. Burial took place yesterday in Silverton. He was a brother of Jacob Opliger, well known to many Stayton people.

Don't Mind

the hot weather. You can keep cool at Sloper's fountain.

Mr. and Mrs. Robert McCrow who were injured in the automobile accident at West Salem a week ago Sunday, are reported to be gradually recovering. Mrs. W. A. Ward was able to leave the hospital several days ago, but Mr. and Mrs. McCrow are still confined to their rooms as well as their daughter, Miss Hughetta.

J. R. Gardner has torn out the building owned by him between his store and W. F. Klecker's. The cause for so doing is to reduce insurance. Mr. Gardner says that the saving to him on this will be about \$170, which is an item worth considering, as the building has been vacant for some time.

Peter Goodknecht died at the age of nearly 80 years, at his home near Silverton. He was father of Mrs. C. A. Luthy of this place.

SCHOOLS CLOSE

Sublimity Graduating Exercises Fine

That the closing exercises of the Sublimity schools are always interesting, is a fact well known to a large portion of this paper's readers, but the exercises closing the school for this year, held in the C. F. Hall Sunday, were, in the opinion of the writer, ahead of any we have attended there for some time. The fact that there were eighteen graduates in the class, and that one of them had the highest rating of any of the 8th grade graduates in the county, while another stood third in the list, gave added interest to the occasion.

The hall was packed to overflowing with interested parents, friends and spectators, all enjoying to the fullest the extended program.

Orchestra music was furnished by Messrs. Heuberger and Subbauer and Miss Doerfler.

There was the usual number of songs, recitations, etc., all pleasing and well rendered. "There was a Little Girl," an operetta, was an amusing affair, which taught a lesson. It was well given by the children. Recitations by John Subbauer and Miss Hermens showed careful training on the part of their instructors, and were both well received by the audience.

The song by the High school class "Come Where the Lillies Bloom," was given in an excellent manner, and received an encore. The drama "Where Pride Led," was of especial interest, as it was composed and dramatized by Miss Florence Denny, a member of the class, who excellently took the part of Mrs. O'Donnell, an Irish lady. Sim Etzel, as Mr. Couldbe, and Angeline Hermens, as Mrs. Couldbe, the parents of a large family, carried their parts well. Miss Prange as Claire, the eldest daughter, whom pride led to blame the breaking of a dish on a little sister, and who afterwards acknowledged her fault and was forgiven by the family, did extremely well in her part.

All others in the play had their parts well learned and gave an exhibition that would be a credit to older and more experienced persons. The song "Roses," by members of the eight grade class, was given in a very pleasing manner. Henry Steinkamp, vaudeictorian, gave his address in poetical form. It was full of good thought and well presented.

Hon. E. F. Carlton, assistant State Supt. gave an interesting and instructive address, impressing upon the graduates the value of "Service" in making their way through life.

Co. Supt. Smith followed with a brief address, congratulating the people of Sublimity on the excellence of their schools, and the teachers on the good work accomplished. He then distributed the diplomas and presented Miss Ida Koenig with a medal won in the county spelling contest.

Rev. Father Lainck thanked the visitors for their presence, congratulated the parents on the excellent showing of the schools and encouraged them to join their efforts with those of the teachers, that the schools of Sublimity may continue to rank first among those of the county.

The decorations were very neat and the closing scene, when the

class, with a number of little flower girls were placed about the stage to receive their diplomas, made an impressive picture.

The exercises entire were worthy of the highest commendation. The flags displayed and the patriotic songs sung showed that the spirit of patriotism is being instilled into the pupils and the composure with which they carried out their parts demonstrated that a knowledge not alone found in books is being gained.

The teachers of the Sublimity schools are entitled to great credit for the excellent work they are doing and have done, and the patrons of the schools have every reason to be proud of their institutions of learning and the progress of their children.

A Surprise Party

A very pleasant surprise party occurred yesterday at the home of C. K. Reed, southeast of Aumsville. Mr. Reed's birthday was in February last, when he reached the age of 80 years, and it was purposed to give him a surprise at that time, but owing to the illness of himself and others interested, the affair was postponed until yesterday. Sicknes kept several away who wished to be present, but there were fifty-nine in the company who gathered at his home. The honor guest was in bed, but arose and put in the day very comfortably and enjoyably. A bountiful dinner was served, and a very pleasant gathering of friends and neighbors was enjoyed. R. L. Putnam and family, of Stayton, were among the guests.

Lumber Company to Electrify Railroad

The Silverton Tribune says that the Silver Falls Timber Co., will electrify its railroad from Silverton to the logging camps southeast of that place, and that the Willamette Valley Southern railroad, which is financed if not owned by the Portland Railway, Light and Power Co., will extend its line from Mt. Angel to Silverton before another fall, is a foregone conclusion.

Surveyors are reported at work in the vicinity of Silverton, but whether they have any connection with the projected Salem-Bend line is uncertain. The fact that the Silver Falls Co., is preparing to electrify and connect with the Willamette Southern looks as though that line might be extended east.

Mrs. Lizzie King, familiarly known as "Grandma" King, living on East Sixth street, and the mother of Griff King, passed away at the ripe old age of 80 years.

She was born in Howard county Missouri, in 1836, moving to Oregon some 20 years ago. She was identified with and a devout worker in the Church of God, commonly called The Saints. Funeral services 2 p. m., at residence tomorrow. Burial in Masonic cemetery. Rev. H. W. White, of Salem, will conduct the services. -Albany Democrat, Thursday.

Laws.
The laws of a country must be like a large river and not like a small ditch. Men do not fall in a river because it is remarkably wide and deep, while they often fall into a ditch because it is so narrow and shallow. -Kruso.

Change in Hours

The dry goods, grocery and clothing establishments of Stayton, will, beginning Monday, the 19th, close their places of business all day on Sundays, and on week days except Saturdays, will close at 7 o'clock p. m.

On Saturdays these stores will be kept open until 9 o'clock. As conditions have been in Stayton in past years, the merchants have been unable to get any rest from business, the hours being uncertain, and on Sundays being kept in the stores part of the day.

An agreement has been entered into by the merchants interested, and it is expected that it will be followed.

Trading on Sundays and in the evenings is largely a matter of habit, and customers will soon become used to the change, and the store-keepers will have an opportunity to gain a little more rest and recreation.

Mill City Celebrates

Large bills are out announcing a big 4th of July celebration at Mill City. There will be all kinds of sports and attractions, and a good speaker will give an address. A game of ball will be played between Stayton and the Mill City team. There will be fireworks and a big dance at night.

The committee in charge is preparing for a big time, and as Mill City is a good place to go for a celebration, there will doubtless be a large crowd.

Methodist Church

At the Methodist Episcopal church next Sunday night the pastor will take as the prelude to his sermon subject: "The School Election." The sermon will be on "Spiritual Preparedness." In the morning the sermon will be on "The Christian away on his Vacation."

Prof. Gauntt delivered the main address at the Methodist church Sunday night June 4. It was highly spoken of. Mrs. Mabel Mack, Miss Ruth Fuson, Mrs. Stanley Starr and others were the authors of a good memorial program. The children did beautifully. The decorations consisted of flags nicely arranged.

Rev. T. B. Ford, of Salem, district superintendent of the Methodist Episcopal church holds quarterly conference this evening in the local church and following that will deliver an address.

The Ladies Aid Society of the Methodist church will meet on Thursday afternoon with Mrs. Lockhart.

E. B. Lockhart, Pastor.

The tenth annual Waldo Hills pioneer picnic will be held next Saturday June 17, at the home of Mrs. J. A. Hunt, Hon. George S. Downing, a pioneer of 1847, presiding. The program in the morning will include music by a band; a vocal solo by C. Slade of Silverton, and an address by Judge J. C. Moreland. The afternoon program will begin with an address by Judge P. H. D'Arcy; vocal solo by Miss Edna S. Harding; vocal solo, Miss Judd; address by Mrs. Edyth Tozier Wetherred; reading by Miss Laura Noyes; remarks by W. H. and E. A. Downing; recitation by Mr. Haberly and closing with music by the band.
