The Round-Up **BIG CROWD, BIG SHOW**

The Albany Round-Up has passed and everyone is united in pronouncing it a success in every particular. All the big features of the famous Pendleton show were given, and most of those taking part were performers at that event. The crowds were immense and were well taken the people all seemed bent on enjoying the occasion.

Albany is a good town with a popular Stayton young man, at present Managing Editor of the used their gest efforts to show Stayton Standard. News Bureau Statement Says No "Blockade of Ports" is Constituted. Berlin, by wireless to Sayville .-- The right of German submarines to operthe cost of living and time of ate off the American coast so long as American territorial rights are reidleness to the point of starvaspected and pledges to the United tion, the point where no one can States kept, was upheld in an authoritative statement issued through the hood one day last week. semi-official news agency. It was denied that such operations

constituted a "blockade," and it was further stated that no sensible American citizen will believe that a secret depot for supplying German submarines could be established on the American coast.

It was pointed out that English cruisers "approach the coast of New |onto it. York so closely that they can be seen from the roofs of tall buildings with the naked eye." 4

Loan Promoters Curbed.

Washington .- Attempts of promoters in the west to make personal profit out of the organisation of joint stock land banks under the federal farm loan bank system, resulted in a suggestion to the department of justice by the farm loan board that federal prosecutions be brought. Members of the board explained that attempts to promote organization of banks for commissions has become scandal in the west.
