### ZEPPELIN AIRSHIP LOST IN STORM

Ship Lands on Tree Tops and is Badly Damaged Passengers Reach Ground on Rope Ladder.

Dusseldorf, Germany-Count Zeppelin's passenger airship Deutschland, the greatest of all the famous sero-naut's models, lies in the Teutoburgian The 33 passengers and crew aboard the airship when it struck the pines after a wild contest with a storm, escaped uninjured, climbing down from the wreck on a rope ladder

Herr Colesmann, general manager of the new airship company; Chief En-gineer Duers, of the Zeppelin ship, and Charles Wannenberg, who had charge of the crew of 10, and 20 newspaper men sailed from Dusseldorf for a three

hours' excursion. In the high wind one of the motors refused to work and the other two did not give sufficient power to make any headway in the gale. The airship drifted, swaying in the violent gusts and sometimes leaning at an angle of 40 degrees. All the while the enginemen were at work repairing the dis-abled motor.

When this was done all four screws vere driven at their full power. Under normal conditions the engines were capable of driving the airship at a speed of 40 miles an hour, but the helmsman was unable to keep his ourse and the great craft was swung about at the mercy of the winds. Colesmann did not dare to come

about, for fear of overturning, and de-cided to drift with the gale toward Osnabruck, also a garrision. He then decided to continue on to Senne.. Suddenly he perceived a whirlwind oming, and ascended to a height of

nearly 4,000 feet to avoid the center of

Genoa, Nev., Destroyed. Carson City, Nev.-Genoa, the couty seat of Douglas county, 211 miles south of this city, was almost com-pletely destroyed by fire. The loss is estimated at over \$100,000. The court house, Masonic Hall, and several other brick structures were completely gutted by the flames. Firefighting apparatus was forwarded by a Southern Pacific train from this city to the scene n the hope of checking the flames which threaten the surrounding farms. Genoa is the oldest town this side of the Sierra Nevada mountains.

Ruef Appeals to Court.

San Francisco-Abraham Ruef has filed with the District Court of Appeals an appeal from his conviction and sentence for bribing ex-Supervisor Furey to vote for a trolley franchise for the United Railroads. It is one of the longest statements ever presented to the court, containing over 12,000 pages, included in 24 volumes. The entire trial is reviewed, and many alleged errors are presented as grounds for a reversal of judgment and a new trial. Ruef was sentenced to 14 years' imprisonment and now is out on bail.
