

A winter trimming...

A crew from R and R Tree Service out of Salem spent the day Dec. 22 trimming two tall fir trees in front of Keizer Civic Center. The trees were trimmed down to about 20 and 25 feet, respectively. Plans call for the remaining parts to become decorative totem poles down the road.

Jo and G.I. Wilson visited friends in Pennsylvania and took a picture with their Keizertimes next to the Liberty Bell, with Independence Hall in back. You too can have your picture in the Keizertimes. Simply take the paper to your destination, snap a picture with you and your group holding it, and send the photo along with everyone's first and last names to kt@keizertimes.com.
