10K richer, just like that

KEIZERTIMES/Lyndon Zaitz  
Michelle McDermitt and husband Jon won \$10,000 worth of gold and silver at Keizer Rotary's annual raffle dinner.

Michelle McDermitt was the big winner at Keizer Rotary Club's annual raffle dinner. McDermitt's ticket, out of more than 1,100 sold, was drawn by incoming Rotary Club president Shelly Egli announced she had won the grand prize of \$10,000 worth of gold and silver.

Egli, who sold the winning ticket, telephoned McDermitt the night of the raffle party to tell her she had won first prize.

"No way, Shelly," McDermitt said to Egli. The winner's first reaction was that a joke was being pulled on her, saying "You can't do this to us." Egli convinced McDermitt she had indeed won. "I hardly win anything," said the grand prize winner. Michelle, and her husband, Jon McDermitt, own and operate Valley Green Landscape and Pest Control in Gervais.

The second prize winner is also from Gervais. Dan Grassman won a \$1,200 travel voucher. He bought his ticket from Rotary member Bob Zielinski.

Also at the raffle party, the Keizer Parks Foundation was presented with a \$32,000 check to be used for The Big Toy project at Keizer Rapids Park.

Cascade Collections, Inc.

Rob Robertson, Owner

Businesses, especially small, owner-operated ones, are not banks and generally can not afford to carry account balances for long periods of time. Commerce works best when customers pay their bills. Sometimes, after trying to collect debts, businesses must turn to professionals to help collect money owed to them.

That's when they can turn to Cascade Collections, Inc. Since March 1970 Cascade Collections, Inc. has represented businesses in the collection of past due accounts including resolution of disputes and payment negotiations. Owner Rob Robertson and his professional staff gather information, follow up on investigations and, when necessary, use legal means to ensure repayment.

"We offer our clients help in establishing a billing and collection procedure time schedule to help increase the best rate of return for them," says Robertson.

Cascade Collections offers a letter writing service prior to a past due account being assigned for collection. "This is a notice sent on our own letterhead giving the consumer a final 30 days to remedy their debt and deal directly with our client," Robertson explains.

There is a small cost to our client, however, 100 percent of the money collected during the initial 30-day period goes directly to the client; there is no commission owed during this period.

Cascade Collections is a full-service collection agency, dedicated to the success of their clients through the highest level of professional and ethical collections procedure providing their customers the best rate of recovery on their past due accounts.

"Our mission is to maintain a positive reputation of our industry and add to the health of our economy. We represent our clients with integrity and treat our customers with respect," Robertson says.
