

# Sports benefit on horizon

McNary High School's Athletic Booster Club will hold its fourth annual dinner and auction on Saturday, May 30, at the McNary Restaurant & Golf Course.

This year, the club will also be having a golf and foot golf, described as a combination of soccer and golf, tournament before the evening's events. The last three athletic benefits raised enough to renovate the athletic training room, which serves to rehabilitate injured athletes and help prevent future injuries, purchase needed equipment for teams, and create a fund to help support athletes with monetary needs

who would not otherwise be able to afford to participate.

Tee time for both the golf and foot golf tournaments is noon, the dinner and auctions begin at 4:30 p.m.

To donate an item for the auction, contact Rhonda Brattain at 503-510-8813, or mail item ATTN: Athletic Boosters, to 595 Chemawa Rd N Keizer, OR 97303.

Cost is \$100 for 18 holes of golf and includes a ticket to the benefit. Foot golf is \$20. Banquet tickets are \$35 each. Registration and ticket orders can be completed online at mcnaryabc.com.

Submitted Auron and Rinoa Davidson show off some of their recent medals. Rinoa recently won a state title in the sport at age 7.

# 7-year-old a state champ

By ERIC A. HOWALD  
*Of the Keizertimes*

Rinoa Davidson knew something was different about the bowling lanes during the Pepsi USBC Youth Championship in Happy Valley last month.

"It was slippery, but I am proud to take first place," said Rinoa, who claimed the state title.

That may seem like an easy observation to make, but Rinoa is 7 years old. Her bowling average is 119 and her high game so far is a 192, without bumpers.

Her older brother Auron took third for his age group in the same tournament.

"We were looking for something Auron could do at a young age. And then we heard about the scholarship program at Town and Country," said mother Kathryn Davidson.

Auron started at 3 years old, Rinoa started at 4 years old and they've bowled on league teams, and just for fun, ever since. The pair have trouble sitting still when they're not bowling, but they're all focus when it comes to the game.

They've recently started competing to see who can get the most strikes on any given day. At the mention of the word, they throw their arms up and cross them indicating the "X" marked down for strikes in bowling.

Each has their own bowling ball, but Kathryn said their feet have to stop growing before she'll get them shoes.

"It's been a lot of fun to watch them evolve and the whole family gets together Saturday mornings to watch them bowl," Kathryn said.

of his own just prior. "We played good defense behind Mickey (Walker) and kept them from advancing beyond second base," Goff said. "We've had very few defensive errors lately."

Walker was the big story of the game. He pitched a "gem" of a game, Keeker said. Walker threw only 68 pitches in a complete game effort.

"I was working on locating and trying to challenge the batters," Walker said.

Keeker said he'd never seen a player work the mound as efficiently.

McNary took on McKay High School Wednesday, May 6, and walked away with an 8-4 win.

Keeker said good defense and good pitching led to the "W."

As the league season draws to a close, Goff said the team needed more consistent offense.

"We need to start stringing the hits together because one run isn't going to be enough against the top teams in the state," he said.

Walker added that lessons from the season thus far should carry the team through.

"We've faced a lot of good teams and we just need to keep our composure, play like we've been playing and we can go a long way," Walker said.
