Finally, notice is hereby provided that without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale.

In construing this Notice of Sale, the singular includes the plural, the word "**Grantor**" includes any successor in interest to the Grantor as well as any other person owing an obligation, the performance of which is secured by the Trust Deed, and the words "**Trustee**" and "**Beneficiary**" include their respective successors in interest, if any.
