The corner of River Road and Juedes Ave. N. was a beehive Saturday, June 20, as bargain hunters browsed through thousands of items big and small at Keizer CERT's annual garage sale. This year's sale grossed more than \$7,000 for CERT's operations and equipment. New Keizer residents Annie and Andy Klug browse through sale items. They recently relocated from Indiana.

## Play it safe with fireworks at home

State officials are reminding Oregonians to "Be prepared, be responsible, be safe and be aware" when it comes to fireworks this season.

The fireworks season in the Beaver State ends July 5.

Oregon law bans possession, use, or sale of fireworks that fly, explode, or travel more than six feet on the ground or 12 inches into the air. Fireworks commonly called bottle rockets, Roman Candles, and firecrackers are all illegal in Oregon.

Under Oregon law, officials may seize illegal fireworks and fine offenders up to \$500 per violation. Those who misuse fireworks or allow fireworks to cause damage are liable and may be required to pay fire suppression costs or other

damage. Parents are also liable for fireworks damage caused by their children.

The OSFM encourages everyone to use the four B's of safe fireworks use:

- Be Prepared before lighting fireworks: keep water available by using a garden hose or bucket.
- Be Safe when lighting fireworks: keep children and pets away from fireworks.
- Be Responsible after lighting fireworks: never relight a dud. Wait 15 to 20 minutes then soak it in a bucket of water before disposal.
- Be Aware: use only legal fireworks and use them only in legal places.
