By reason of said default, the beneficiary has declared all sums owing on the obligation secured by said trust deed immediately due and payable, said sums being the following, to wit: \$323,971.97 with interest thereon at the rate of 6.12500 percent per annum beginning January 1, 2012; plus late charges of \$727.30; plus escrow advances of \$19,649.57; plus recoverable corporate advances of \$2,070.00; plus pro rata MIP/PMI in the amount of \$296.40; plus other fees and costs in the amount of \$76.00; together with title expense, costs, trustee's fees and attorney's fees incurred herein by reason of said default; any further sums advanced by the beneficiary for the protection of the above described property and its interest therein; and prepayment penalties/premiums, if applicable.

Notice is further given that any person named in ORS 86.778 has the right, at any time that is not later than five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the trust deed reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principle as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or trust deed, and in addition to paying those sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and trust deed, together with trustee and attorney fees not exceeding the amounts provided by ORS 86.778.
