# Burglars hit 3 River Road businesses

Keizer Police are looking for suspects in a trio of burglaries at River Road businesses on Wednesday, July 26.

Two cash registers were stolen from Plaza Morelia, 3391 River Road N. Entry was made by smashing the glass front door to the business.

At Amiga Salon, 3453 River Road N., a small amount of cash, hair products and a debit card machine were taken. A broken window was the point of entry.

Next door to Amiga, CK Nails and Spa, 3443 River Road N., was also broken into. While nothing was reported stolen, it appeared as though the suspect attempted to steal a television mounted to a wall. Again, a window was broken to gain entry.

The latter two burglaries were discovered when police received a report of a suspicious person and vehicle at the Shell gas station at the south end of Keizer.

Officer Babcock attempted to catch up to the stolen vehicle as it continued traveling westbound on Appleblossom Drive North, but it became apparent the driver was attempting to elude him.

Babcock saw the suspect vehicle turn right and travel through the Laurel Gate Apartments toward River Road North. He took a parallel path but the fleeing car never appeared. When he reached River Road and looked to the south for the suspect vehicle he saw it had crashed into another vehicle when the suspect pulled out of the Laurel Gate Apartments onto River Road.

The Honda crashed into the side of a 1973 Chevrolet pick-up that was occupied by two individuals. After crashing, the driver of the stolen vehicle and a passenger fled from the scene of the traffic crash on foot.

Both the driver and the passenger fled east across River Road where the driver hopped a fence into the Budget-Rent-A-Space and U-Haul complex. The passenger was detained by one of the occupants of the Chevrolet pick-up. The man had given chase on foot ultimately caught up with the passenger and detained him until officers arrived and took him into custody.

The passenger who fled from the stolen vehicle was identified as Alexander Ahmed Elsherbini, a 20-year-old who gave a Salem address. He was cited for conspiracy to commit unauthorized use of a vehicle and released at the scene. The driver remains at large.

# Help Health Dept. train, get free eclipse glasses

The Marion County Health Department will be distributing solar eclipse viewing glasses to the public on Thursday, Aug. 10, from 3 p.m. to 7 p.m. at their Center Street campus located at 3180 Center St. NE, in Salem. Distribution of the free eclipse glasses is part of a point of dispensing (POD) exercise to practice dispensing items to the public in the event of an emergency.

During the POD exercise, participants will be asked to fill out a survey and will have the opportunity to learn more about health services available in our community. Water and snacks will be available to participants, as well as the opportunity to learn more about the solar eclipse that will be visible in Marion County on Aug. 21.

Distribution of eclipse glasses at the event will be on a first come, first served basis. In addition to the POD event, eclipse glasses are also available at many local retailers; look for ISO 12312-2 to ensure eclipse glasses meet safety standards.

Additional eclipse preparedness and safety tips will be handed out at the POD exercise. The mid-Willamette Valley is preparing for a large

influx of visitors in the days leading up to the eclipse and area residents are encouraged to stock up on food, water and gas a few days before the crowds arrive. Visitors are expected to begin arriving Thursday, Aug. 17, with many remaining through Tuesday, Aug. 22.
