Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale.

RIGHT TO CURE

The right exists under ORS 86.778 to have this foreclosure proceeding dismissed and the Trust Deed reinstated by doing all of the following at any time that is

not later than five days before the date last set for the sale:

(1) Paying to the Beneficiary the entire amount then due (other than such portion as would not then be due, had no default occurred); and

(2) Curing any other default complained of herein that is capable of being cured by tendering the performance required under the Trust Deed; and

(3) Paying all costs and expenses actually incurred in enforcing the Obligation and Trust Deed, together with Trustee's and attorney's fees not exceeding the amounts provided by ORS 86.778.

In construing this notice, the masculine gender includes the feminine and the neuter, the singular includes the plural, the word "Grantor" includes any successor in interest to the Grantor as well as any other person owing an obligation, the performance of which is secured by the Trust Deed, and the words "Trustee" and "Beneficiary" include their respective successors in interest, if any.

We are a debt collector attempting to collect a debt and any information we obtain will be used for that purpose.

Cashier's checks for the foreclosure sale must be made payable to Miles D. Monson, Successor Trustee.

Bankruptcy Information: The personal liability of the Grantor to pay the debt owed to Beneficiary may be discharged in the Grantor's chapter 7 bankruptcy, however, the Trust Deed lien against the real property described above remains in existence and is in full force and effect. Beneficiary will not seek to enforce any debt obligation as a personal liability of the Grantor once a discharge order is entered in his chapter 7 bankruptcy case. Beneficiary is merely foreclosing its lien which will not be affected by any bankruptcy discharge.
