

Freshmen rally to win

Lady Celts lose to Grizzlies 2-1

McNary High School's freshman football team traveled to McMinnville High School Wednesday, Oct. 7, and came away with a come-from-behind 26-13 win over the young Grizzlies.

The win puts the Celts' record at 3-3 overall and 3-2 in the Great Valley Conference.

The Celts started the game by driving 65 yards, led by starting quarterback Ryan Bamford. The drive ended with Jacob Fritts' six-yard run for touchdown. After the conversion run failed McNary led 6-0.

That lead held through most of the second quarter when McMinnville broke through with a five-yard touchdown pass and point-after kick for a 7-6 lead.

Bamford engineered a long drive that stalled on the McMinnville 1-yard line and the half ended with the young Celts trailing 7-6.

The Celts opened the third quarter with quarterback Da-

Celt quarterback Ryan Bamford takes a snap in a game earlier this season. Bamford helped lead the McNary freshman team to a 26-13 victory on Wednesday, Oct. 7.

vid Allen throwing a five-yard touchdown pass to Nigel Harris. When Chantz Revis ran in the two-point conversion McNary led 14-7.

Revis followed a good defensive stand with a 77-yard touchdown run and the Celts led 20-7 at the end of three quarters.

McMinnville opened the fourth quarter with a 35-yard touchdown pass and cut the lead to 20-13, but Revis responded with a 60-yard touchdown run for the final margin.

Revis led the offense with 334 yards rushing.

"That was one of the finest efforts we have seen around here in a long time," said running back coach Jason Ebbs.

"Chantz is one of those kids who does his job and doesn't say much," offered Ted Anagnos, head coach of the freshman team. "We appreciate his leadership and effort very much."

Revis chose to give credit to the offensive line.

"When those guys block as well as they have been lately, anyone could run through the hole," said Revis.

"Line coaches Todd Hatley and Geoff White (both former McNary offensive linemen) are doing a great job coaching our line," commented offensive coordinator George Carter.

The offensive line is led by tackles Christian Messina and Jabez Rhoades, guards Joshua Schmeltzer and Arik Dela-

Cruz, tight ends Ian Koenig and Brent Preston, along with centers Cole Downer and Collin Penner.

Defensive coordinator Nick Phillips complimented the defense led by linebackers Robert Benson, Tyler Covalt, Griffin Oliveira and Bo Working. Harris had a key interception to end the Grizzlies' last hope in the game.

BY ERIC A. HOWALD
Of the Keizertimes

The McNary High School girls varsity soccer team ended up on the losing end of a 2-1 match with McMinnville High School Thursday, Oct. 8.

"They have a lot more experience, but the teams played straight up even in the first half," said AJ Nash, McNary head coach.

Nash credited goalkeeper Sydney Snapp and sweeper Abigail Smith for excellent play throughout the game.

Senior Kelli Miller delivered a number of dangerous crosses on set pieces but McNary was unable to find the back of the net early in the second half.

"They were physically and mentally tough and we had a lot of good passing around and good attempts and ideas, but just couldn't put one in," Miller said.

In the 55th minute, the Grizzly midfield caught the Celts in transition on one of the first mistakes of the game in the backfield, and ended up with a breakaway goal. The McMinnville team struck

again on a header off a corner kick in the 70th minute.

"It was one of those goals when you just tip your hat and move on. It was that solid," Nash said.

McNary immediately changed their line up replacing a midfielder and defender with forwards, and earned a penalty kick in 78th minute finished by Jessy Shore.

The loss puts the team at 2-2 and fifth in the Greater Valley Conference, but there is still a lot of movement in the rankings.

The loss came on the heels of a 4-1 win over McKay High School, which both Miller and Nash said was the team's best game to date.

"You could see the drive in the way we took chances and risks that we hadn't before," Miller said. "Our goal now is to play smarter and find the simple passes that move the ball up the field."
