

# Ex-McNary coach headed to Oregon Hall of Fame

Oregon basketball coaching legend Mike Doherty, whose 1967-68 McNary High School team won the school's first state championship, will be inducted into the Oregon Sports Hall of Fame.

The induction ceremony is Thursday, Nov. 19 at the Multnomah Athletic Club in Portland.

The Oregon Sports Hall of Fame honors Oregon athletes, teams, coaches and others who have made a significant contribution to sports in Oregon. Upon his induction, Doherty will become the fifth coach of Oregon boys bas-

ketball to be honor, joining Nick Robertson (699 wins in 41 years), Dick Gray (560 wins in 38 years) and James Torson and John Warren, who coached boys basketball before moving on to the collegiate ranks.

In 1965, Doherty was the first boys basketball coach hired at the newly established McNary High School. During four seasons, his teams compiled a win-loss record of 57-40, winning two league championships and the 1968 state championship. The 1968 Celtics, with a 21-6 record, were the first in Oregon since

1928 to win a state championship during a school's first state tournament appearance.

When he retired in 2012 following his 50th season, Doherty's Oregon high school coaching record stood at 850-390, the most wins ever by a coach of Oregon prep basketball and fifth largest for wins in the western United States.

In 2002, he was inducted into the National High School Athletic Coaches Association Hall of Fame, and in 2007, was named National Coach of the Year by the National Federation of High School Coaches Association.

# Library adds book drop

The Keizer Community Library has added a secure book drop outside its doors at the Keizer Heritage Center. The box is for returning books and other media when the library itself is closed.

Long-time library volunteer George Bachik rolled up his sleeves, put his carpentry skills to work and created a custom book drop.

"The Board of Directors of Keizer Community Library expressed a need for a secure way patrons could return books when the library

is closed. I volunteered to build a lockable 'drop box.' I used the Heritage Center building as inspiration for the design," said Bachik "It was a rewarding way to volunteer."

"We could have purchased a ready-made drop box for hundreds of dollars," said Library Board President Daisy Santana Hickman. "But George came up with a custom product that not only saved limited resources, but also reflects our location at the Heritage Center and showcases Keizer's volunteer

spirit." Library hours are Monday through Thursday, 1 to 7 p.m.; Friday, 1 to 4 p.m.; Saturday, 10 a.m. to 4 p.m.; and Sunday, 1 to 4 p.m. The all-volunteer library is seeking additional community volunteers. For information, contact the library, 503-390-2370, or visit the library's website, www.keizerlibrary.org.

Keizer Heritage Center is located at 980 Chemawa Rd. N.E.

## Ask Mr. Trash

**Q. Can I put plastic bags into the big blue recycle cart?**

**A.** Sorry, plastic bags cannot go into the blue cart because they get tangled in the sorting equipment and cause major delays.

**TRY THESE HELPFUL IDEAS INSTEAD:**

- Use them to tie-off odorous garbage before tossing into garbage cart
- Re-use them or, if possible, recycle them at the store that you got them from.
- Call the RECYCLE HOTLINE (503) 390-4000 for other possible recycling locations.
- Ask your store to bag your purchases in paper instead. Oregon law gives you the choice!
