quickly when Barker connected with Lelack for 26 yards down to the Houck 36-yard line. Walling took the ball around right end to extend the lead to 16-0.

Offensive Coordinator Marcus Larimer said the long stretches without the ball were frustrating, but added, "I had complete confidence in our offense to execute, and I focused on making sure we had a plan to stay efficient and maximize our opportunities."

After Sandoval caused and recovered a fumble on the ensuing kickoff, M. Larimer's quick-strike offense put the game away, needing only four plays to score again. Twelve-yard runs by Thurlow and Brian Schindler took the ball down to the Houck seven-yard line, where Walling scored on a perfectly thrown ball from Barker. Barker's pitch to Thurlow for the two-point completed the scoring at 24-0.

Whiteaker line coach Angel Ochoa said, "Houck is always tough, but we also came in with a good game plan and our players did a great job in executing their assignments."

T. Larimer summed up the win, saying, "I preach being assignment sound, and we struggled at times with that on defense, but our kids made plays to keep them out of our end zone. And when we did get the ball, our O-line was devastating. Those kids - Malakai Vasseur, Shaw, Sion Springer, Young, and Patton, as well as tight end Joel Knight and half back Fowler - have been the key to our success all year."

Schindler and Fowler led the defense with 13 and 12 tackles, respectively. Thurlow, Young, Noah Martinez and Mike Ridgway made key tackles for losses. Ochoa added that tackles Cameron Weathers, Jonathan Echevarria and Carlos Gallegos made good contributions against Houck's tough interior running game.

Barker finished 7 of 12 passing for 153 yards and two touchdowns, and Walling had all three Whiteaker scores on 98 yards rushing and 116 receiving.
