

Work continues in Area C

KEIZERTIMES/Craig Murphy

Construction work continues in Keizer Station Area C, where Bonaventure Senior Living is building a 154-unit retirement community and Mountain West Investment Corporation is building a 180-apartment facility. Since the land being used was formerly a big field, a massive infrastructure project has to be done first, including punching through McLeod Lane from its current end at Chemawa Road.

Tree lighting ceremony at Walery Plaza Dec. 1

This year, get into the Christmas spirit in Keizer right from the start of December.

Starting at 6 p.m. on Tuesday, Dec. 1, two lucky children will be chosen to assist Santa Claus as he flips the switch that lights up Keizer's Christmas tree.

The annual lighting ceremony is at Walery Plaza, named for Keizer resident Dave Walery, affectionately known as Mr. Christmas due to his volunteer work over many years maintaining and installing the decorations that line River Road during the holidays as well as his work with the permanent tree.

Walery Plaza is located where River Road and Cherry Avenue meet. If you're driving along River Road on Dec. 1 and can't find it, just look for the tall tree with the

nearby large crowd.

The lighting is sponsored by Walery's Premium Pizza and presented by the Keizer Chamber of Commerce. Live music by the Keizer Community Band will fill the festive air at the event.

Children are selected for the honor by a drawing. There is a sign-up table at the event; children simply need to put

their name and age on the form. A Keizer leader will draw out the two lucky names.

The actual flipping of the switch on the tree lights is expected to happen around 7 p.m. Before that, Santa is expected to arrive in Keizer around 6:45 and hitch a ride to Walery Plaza in a fire truck courtesy of his friends at the Keizer Fire District.

PARADE, continued from Page A2

to break up in different directions. Last year was crowded, so people piled up at the end of the route. We have always ended at Glynbrook, but we'll have new signs for this year."

It's estimated about 80,000 spectators come to watch the parade each year.

Those wanting to enter the parade can do so by following the link at www.folholiday-parade.org. There are different prices and categories, such as

\$500 for commercial entries.

"We have a lot of businesses in the parade this year," Mitchell said. "For \$500 you can be a commercial entry and you get to advertise. Four people in the parade last year YouTube'd their entry and got more than one million hits each. That's great exposure for your non-profit or your business. Companies bring their employees together and build floats, which is great fun. It's a great team-building exercise."

The same could be said of the last 25 years.

"It's been an incredible ride," Mitchell said.
