KFD rolls out new ambulance

Keizer firefighters are extra thankful this week because the first of three ambulances will be put in service on Thanksgiving Day.

Earlier this month voters approved an equipment bond for the fire district which secured funding for three new ambulances, three fire engines, refurbishing the ladder truck and other equipment. KFD officials ordered the new ambulance prior to the bond approval, using operational funds that will be repaid when bonds are issued next year.

The first ambulance to be replaced is a 2008 Ford that had more than 150,000 miles on it and was having serious mechanical problems. A second ambulance has been ordered and is currently being built. The fire district will take possession of the second unit in April.

Keizer Fire District has responded to more than 4,042 calls to date and in 2014 ran 4,132 calls.
