GOING IN FOR SURGERY? DON'T JUST LIE THERE.

The safest, most successful surgeries happen when physicians and patients team up as active partners. Which means plenty of candid questions and honest answers from each. Bone up on patient safety at orthoinfo.org/patientsafety. A public service message from the American Academy of Orthopaedic Surgeons, reminding patients and doctors that communication is the best medicine.

orthoinfo.org/patientsafety

Patient Safety. It takes a team.
