Help count fowl friends

Keizer residents will have the opportunity to participate in the longest-running animal census in the world, the Audubon Society's annual Christmas Bird Count (CBC) on Saturday, Dec. 19.

Anyone who wants to participate in the Keizer section of this year's CBC should contact Rich Ford at (503)510-9583 or richford@windermere.com.

The data from the CBC is collected by researchers at Cornell University. It has been

used to track declining bird populations and also to determine whether conservation efforts are helping bird populations.

On the day of the bird count, participants will meet at a coffee shop at 7:30 a.m. and, depending on their numbers, stay in one group or split into several.

The counts are only approximate, owing to birds flying around and other limitations. Counters try not to duplicate counts.
