Christmas in the Kitchen at KHC

Visit the Keizer Heritage Center Museum in December to invoke fond kitchen and baking memories.

The "Christmas in the Kitchen" display started Nov. 20 and runs through the end of the year. The Keizer Heritage Center is located at 980 Chemawa Road NE, next to the Keizer Civic Center.

This display is the personal

collection of Keizer's Yvonne Knoll and contains many of her favorite items. Items date back to her first collection purchase in 1968, which was a Bird's Eye Maple rolling pin.

She started her collection because her husband was a veterinarian and Yvonne became great friends with his secretary. They started en-

joying weekly outings and visiting the local antique stops. Her collection grew into a passion founded on the memories of these good times.

Information is available by calling JoAnne Beilke at 503-393-9660 or by e-mailing info@keizerheritage.org. Admission is free, but donations are accepted.

Library adds outside drop box at KHC

The Keizer Community Library has added a secure book drop outside its doors at the Keizer Heritage Center. The box is for returning books and other media when the library itself is closed.

Long-time library volunteer George Bachik rolled up his sleeves, put his carpentry skills to work, and created a custom book drop.

Library hours are Monday through Thursday, 1 to 7 p.m.;

Friday, 1 to 4 p.m.; Saturday, 10 a.m. to 4 p.m. and Sunday, 1 to 4 p.m. The all-volunteer library is seeking additional community volunteers. For information, contact the library, 503-390-2370, or visit the library's website, www.keizerlibrary.org.

Keizer Heritage Center is located at 980 Chemawa Road NE.

BUSINESS SPOTLIGHT

Cascade Collections, Inc.

1375 13th St SE • Salem • 503-364-0455

Rob Robertson, Owner

Businesses, especially small, owner-operated ones, are not banks and generally can not afford to carry account balances for long periods of time. Commerce works best when customers pay their bills. Sometimes, after trying to collect debts, businesses must turn to professionals to help collect money owed to them.

That's when they can turn to Cascade Collections, Inc. Since March 1970 Cascade Collections, Inc. has represented businesses in the collection of past due accounts including resolution of disputes and payment negotiations. Owner Rob Robertson and his professional staff gather information, follow up on investigations and, when necessary, use legal means to ensure repayment.

"We offer our clients help in establishing a billing and collection procedure time schedule to help increase the best rate of return for them," says Robertson.

Cascade Collections offers a letter writing service prior to a past due account being assigned for collection. "This is a notice sent on our own letterhead giving the consumer a final 30 days to remedy their debt and deal directly with our client," Robertson explains.

There is a small cost to our client, however, 100 percent of the money collected during the initial 30-day period goes directly to the client; there is no commission owed during this period.

Cascade Collections is a full-service collection agency, dedicated to the success of their clients through the highest level of professional and ethical collections procedure providing their customers the best rate of recovery on their past due accounts.

"Our mission is to maintain a positive reputation of our industry and add to the health of our economy. We represent our clients with integrity and treat our customers with respect," Robertson says.
