## Senior mentors needed

Peer mentors to assist seniors become more self-reliant and independent are being sought by Northwest Senior and Disability Services.

Volunteer mentors should be adults 45 years and older who have patience, nonjudgmental attitude and empathy to coach older adults and people living with disabilities, experiencing depression, loneliness, anxiety and grief. The volunteers work with caregivers and people facing end-of-life challenges. The typical mentor volunteers about 10 to 12 hours each month.

## CCMS launches AVID Schoolwide

Claggett Creek Middle School students returned to classes this week with a new college-centered campus.

The school is in the process of taking AVID learning strategies schoolwide. AVID strategies focus on writing-to-learn, specific note-taking guidelines and the goal of preparing for students for life after high school.

In addition to aesthetic changes celebrated at an assembly Tuesday, Jan. 5, students spent time asking some current McNary High School AVID students questions and presenting a sponsor award to Servicemaster of Salem for a large financial contribution last month.
