Rotary seeks host families, exchange students

After a four year hiatus, the Rotary Club of Keizer is once again starting up its Youth Exchange program.

There will be an informational meeting for interested students and potential host families on April 7 from 6:30 to 8 p.m. at the McNary High School library.

Beginning fall 2016, Keizer Rotary and the community will host a foreign exchange student during the school year. Three host families are needed. This provides the student with a variety of home experiences and requires less of a commitment for each family. You need not have children of high school age or even children at home to host.

All host families are interviewed and everyone 18 and older must pass a background check. These are volunteer positions, though a stipend is provided by the club to cover a student's cell phone and lunch expenses.

As Vickie Jackson, a former club president, noted, "I hosted

for six years when my kids were in elementary school. It was a great experience for my kids and the exchange students."

This spring Rotary members are recruiting a Keizer freshman student to live and attend school abroad in 2017. Outbound Keizer exchange students apply in their freshman year to travel abroad in their junior year of high school. Students attend three Rotary training events over their sophomore year to prepare them for the 10 months away from home. Expenses for an outbound student's family range from \$2,500 to \$4,000 which covers training, health insurance and airfare.

Marilyn Pentecost, a 2012 exchange student exclaimed, "The Rotary Youth Exchange program really broadened my horizons and helped become fluent in Spanish. Now I have another family in Argentina that I stay in touch with."

More than 80 countries and 8,000 students each year participate in the Rotary International Youth Exchange

Program, which is administered at the regional level by Rotary districts and at the local level by Rotary clubs. Participating as a student or host family in Rotary Youth Exchange could be a once-in-a-lifetime experience. Come to the informational meeting, go to <http://www.youthexchange5100.org/> or contact Chuck Fisher at chuckfisher@comcast.net or Pam Vorachek at Pam.vorachek@antiquepowerland.com.
