Shots fired after concert in south Keizer

Keizer Police Department is investigating an incident involving gunfire at a south Keizer bar.

On Saturday, Aug. 20, 2016 at 2:38 a.m., KPD officers responded to the Tequila Nights Bar & Grill, 3393 River Road North, on a report of several gunshots being fired in the parking lot after the conclusion of a concert that was headlined by Lil Rob.

Upon officers arrival, they located a 1999 Volkswagen Jetta four-door in the parking lot that had been struck by multiple rounds of gunfire. The initial investigation indicates a male suspect, possibly wearing red, fled from the shooting scene on foot. The suspect was last seen by witnesses running westbound away from the bar on Appleblossom Drive North. Investigating officers did not locate any persons who were struck by gunfire and no injuries were reported.

Keizer officers were assisted by deputies and officers from the Marion County Sheriff’s Office and the Salem Police Department who helped secure the crime scene and search for the suspect. A K-9 was also deployed, but the suspect was not identified or apprehended.

The incident remains under investigation. Anyone having any information is asked to contact Det. Ben Howden at 503-390-3713, ext. 3525.

KEIZERTIMES/Eric A. Howald
Gunfire damaged a vehicle outside Tequila Nights Bar & Grill on Saturday, Aug. 20, but there were no injuries.

Double-dipping robber gets 11 years

By ERIC A. HOWALD
Of the Keizertimes

Keizer’s One Stop Smoke Shop was robbed twice by an armed man earlier this year, and he’s headed to prison for 11 years after pleading guilty to the crimes in court Monday, Aug. 22.

Earl Creemedicine, 33 of Stanwood, Wash., was arrested on July 12 after a traffic stop when Keizer Police Department Sgt. Jeff Goodman spotted a vehicle believed to have been involved in a robbery that occurred in Salem.

Creemedicine pleaded guilty to three counts of second-degree armed robbery, unlawful use of a weapon and attempted unlawful use of a weapon. Creemedicine was charged in connection to 11 robberies between March and July, but several were dismissed as part of his guilty plea.

KPD Det. Andrew Phelps had investigated an armed robbery at the One Stop Smoke Shop on March 21. When Phelps responded to the report of a second robbery on July 11, he and Of-

ficer Kevin DeMarco had an opportunity to review video surveillance footage where they observed the suspect committing the robbery. Phelps determined the suspect in both incidents had similar physical characteristics, clothing and gun.

Creemedicine entered the business with a gun and tried to gain access to the cash register while the owner locked

himself in a room and called police. Creemedicine was unable to open the cash register, but made off with a key belonging to it. He fled the scene and officers searched the area, but were unable to locate him.

Working off a description of a vehicle that was reportedly involved in a Salem robbery, Goodman arrested Creemedicine in the 4900 block of River Road about two hours later.

Although Creemedicine’s permanent address is in Washington, investigators determined he resides in Keizer from time to time.

Creemedicine will also have to pay restitution in amount to be determined.

E. Creemedicine

Extra patrols on road through Labor Day

Labor Day weekend is fast approaching and with it end-of-summer parties. The gatherings bring family and friends together, which also means some time behind the wheel.

Despite laws and millions of dollars spent on education, the problem of impaired driving and unrestrained occupants still exists. It makes Labor Day weekend being one of the deadliest weekends to travel.

The Keizer Police Department

rolled out extra patrols beginning Monday, Aug. 22, and will continue through Labor Day weekend. The officers’ primary focus will be looking for impaired drivers. In addition, officers will also be concentrating on vehicles with unrestrained occupants, drivers who are using mobile communication devices and speeders.

Another dangerous driving habit that is not talked about as often as the DUI or the non-seatbelted occupant, is the fatigued driver. According to an article in the US News & World Report some research has shown, “volunteers who hadn’t slept for nearly 20 hours had response speeds that were 50 percent lower than well-rested folks on some cognitive tests; their performance was

on par with those who had a blood-alcohol content of 0.05 percent, which is approaching the legal limit.”

Here are some signs from the National Sleep Foundation that would suggest a driver needs to stop and rest:

- Difficulty focusing, frequent blinking, or heavy eyelids
- Daydreaming; wandering/disconnected thoughts.
- Trouble remembering the last few miles driven; missing exits or traffic signs.
- Yawning repeatedly or rubbing your eyes.
- Trouble keeping your head up.
- Drifting from your lane, tailgating, or hitting a shoulder rumble strip.
- Feeling restless and irritable.
