

BARKER,

continued from Page 12

Barker said. "We've got a lot of good guys and we're really coming together as a team. I think we can compete for the league title and go from there."

McNary head coach Jeff Auvinen said Barker, who was selected to the Greater Valley Conference First Team last season,

is the biggest recruit the football program has had in at least 15 years.

"It was fast and furious in May," Auvinen said. "I'm not exaggerating. There was a recruiter there [MHS] everyday. He's a great kid and very respectful. He's continued to work real hard in the weight room. Last year he was a really good player and this year he needs to be a really good player for us with how many kids we lost. I think he's up for the challenge so it will be interesting to see."
