

LADY CELTS,

continued from Page 16

35 goals while scoring 36, a significant improvement on the season before when it allowed 55 goals and scored just 13.

Nash believes the Lady Celts are ready to

take another step forward this season.

“I’m extremely optimistic,” he said. “Our word for the year is ‘believe.’ We believe we can go out there and we have every chance to

win conference as any other team does. We anticipate to make a run but our aspirations are set on not just going to playoffs but going with the expectation of winning. We

want to go in thinking we’re going to win the first game, not just make the playoffs and we’re done, and then just take it game by game. We know we can compete.”

SUPER SERVICE AWARD

Technicians were very polite, professional and on time. Had the right meters, tools and experience. They explained in detail what they were doing, and why. I am very pleased and satisfied with the work. I highly recommend this service.
