

KEIZERTIMES/Derek Wiley

McNary has five seniors, four juniors, three sophomores and one freshman.

"I'm just excited to be here and they're just wonderful girls," Myers said. "They're just really working hard and that's really what a coach wants. We have to make sure we continue to do that. We have to just take care of our side of the court and continue doing what we've done in practice and just get a little bit sharper in our passing. Passing is so important and instrumental in success so we have to really make sure that we have consistent passers and then the rest of it takes care of itself."

"Sydney might be the best athlete in every gym that we walk into"

— Bruce Myers, Head Coach

"West Salem, they are going to walk away with it," he said. "They placed sixth in the state last year without a senior. South Salem is going to be tough, too. I coached a number of their girls in club. They are going to be really tough outside and I know they're going to have at least one tough middle and probably first team all-league setter. They only have one senior."

Last season, McNary finished 13-3, which was good enough for third in the conference. The Lady Celts graduated six seniors.
