joined by sophomore Carter Short.

Junior Emma Garland, who has played soccer in the past, is a welcome addition to the girls team. She ran the 1500 and 3000 meters for the MHS track team last season. Junior Alison Repp also returns for the Lady Celts as well as sophomores Xena Lane and Makayla Long.

“They are fun to watch because they will push each other,” said Kyle Rose, who is the new head coach of the program after serving two years as an assistant. “They are good friends and they hate seeing the other one get ahead of the other.”

The 2016 district meet will be held at Crystal Lake Park in Corvallis on Oct. 26. “I don’t know a lot about the course,”

“There’s going to be some studs out there but I think it’s going to be good competition.”

— Kyle Rose, Head Coach

Rose said. “It’s flat and fast is what we’ve been told.”

Rose expects West Salem, led by Ahmed Muhumed, who won the 6A state championship last year, to again be at the top of the class. But Rose also likes what he’s seen from his team.

“There’s going to be some studs out there but I think it’s going to be good competition,” he said. “With the kids that we’ve got, they work hard and I think we’re going to surprise some people. These kids work so hard and I love it. I’m excited to see what we’re going to do this year.”
