## McNary wins play-in games

McNary's girls and boys soccer teams are both going to the playoffs.

Playing at home, the Celtics made it clear they're one of the best 32 teams in the state, easily defeating South Medford 4-0 on Tuesday, Oct. 25.

On the same night, the Lady Celts went to Newberg and won 1-0 to clinch their spot.

The McNary boys put three shots on goal in the first seven minutes. Then in the 10th minute, Gustavo Villavazo fired a free kick off the post, which Javier Zepeda finished to put the Celtics up

1-0.

Zepeda then beat a South Medford defender and put a ball past the goalkeeper to expand the Celtics lead to 2-0 in the 21st minute.

McNary added two more goals in the final 11 minutes, the first from Luis Martinez and then Francisco Rios completed the scoring on an assist from Bryan Keo.

"We're creating opportunities, we're scoring goals and looking good," McNary head coach Miguel Camarena said. "We didn't allow any goals and that's key. If you want to win games and be champion, you have to be zero in the back. We've played solid D in

the last three or four games."

The Celtics, No. 30, will play at Jesuit, No. 3, on Saturday, Oct. 29 at 2:30 p.m.

"We'll take it one game at a time and see what happens on Saturday," Camarena said.

The Lady Celts scored their goal in the fourth minute when Gina Munguia put a ball through to Abigail Hawley, who beat the Newberg goalkeeper and then got the ball past three defenders into the net.

"We came out really strong and I think caught them off guard," McNary head coach A.J. Nash said.

To complete the shutout, Lady Celts goalkeeper Sydney

Snapp made two saves in the final 12 minutes, the first with her foot and then another with only five minutes remaining that Nash called the "save of the year."

Due to injuries, McNary played without Natalia Gonzalez and Anita Lao. Senior captains Kayla Evans and Abigail Smith also missed time but returned to the game.

"I was really proud of our subs," Nash said.

McNary, No. 30, will play at Sherwood, No. 3, on Saturday, Oct. 29 at 4 p.m. in the first round. It will be the Lady Celts first playoff game since 2009 and just the second since 1992.

## Keizer middle schools to face off on the gridiron

Whiteaker Middle School head football coach Tom Larimer knows slowing down rival Claggett Creek will be difficult when the two teams meet on Wednesday, Nov. 2.

"Their backs (Ethan Martin and Dyami Rios) are really, really fast," Larimer said. "If they get to the edge, they're gone because not only are they fast but they are pretty strong and tough. You need to contain them."

"Their quarterback (Jack McCarty) doesn't throw a lot but when he does, he's good and that makes them really, really hard to beat, because I just think they're going to be really tough to defend."

After losing its first two games, Claggett split into two teams, varsity and junior varsity, at the end of September and has since been dominant, going 4-0 and outscoring its opponent's 174-52.

The Panthers defeated Houck 44-18 on Wednesday, Oct. 19.

Martin had four touchdowns. McCarty threw for two scores and Rios also got into the end zone. TeJohn McCormick scored his first touchdown of the season as well. On defense, Jose Martinez-Reyes and Michael Sly each recovered fumbles, Sunny Hoang had an interception and Grady Burrows recovered an onside kick.

## Volleyball matches move to McNary

Scott Coburn has coached volleyball at Whiteaker Middle School for 25 years and Shirley Richardson has been at Claggett Creek since the school opened in 2001.

But when the two programs play at McNary High School on Tuesday, Nov. 1, that'll be a first. While the two schools have played one another every year, it's been in each other's gyms.

"It will be fun and new for the girls," Coburn said. "They're all going to be teammates there next year. It's a good start for them getting to know each other and getting in the gym they'll be playing in. The Claggett one they always look forward to because

some of them play basketball together. They're friends off the court. It's just fun to play against people like that."

With one set of matches before playing its Keizer rival, Whiteaker's four teams were a combined 26-2, with the varsity squad, coached by Coburn, undefeated.

"This is a very athletic team," Coburn said. "Their skill level is higher than a lot of teams I've had. We don't have the height that some other teams have had. We just have to scrap and get the ball. They're very athletic and very competitive. Claggett's been very competitive this year. They've beaten some of the better teams in the league so I
