Meet Our Executive Director

at Bonaventure at Keizer Station

I started my career at Bonaventure 7 years ago working as a Caregiver here in Salem. During that time my career has grown along with my family. I am married to my college sweetheart, Aaron and am a mother to two beautiful little girls and a handsome little boy. Throughout my 7 years at Bonaventure I have had the opportunity to work in a variety of positions. I have done just about everything, except for maintenance and everyone who knows me would tell you that's a good thing! I love working for a company that is always looking out for the future of its employees and cares about the residents that choose to call Bonaventure home.

At Bonaventure, I have had amazing opportunities. Most recently I was the Executive Director at Bonaventure of Salem and I enjoyed my time there very much. I will certainly miss all of the residents and team members. However, I am so excited for this new opportunity and never did I dream that I would be opening a brand new community so close to home! I am looking forward to meeting and getting to know all of the residents who will call Bonaventure at Keizer Station home. Bonaventure of Keizer station is going to be a beautiful community filled with great people that will live and work there. I can hardly wait to start our Silver Pins Bowling league to go along with our two lane bowling alley inside of Bonaventure at Keizer Station!

I invite you to come out and visit us anytime. We are on site at our sales trailer 7 days a week. My team and I are waiting to give tours, show off our model suites and welcome you to your next home.
