## Sealed and delivered

The Keizer Network of Women and numerous volunteers spent much of last week preparing to deliver gift baskets to local families in need.

Sorting food boxes and wrapping gifts took two nights and deliveries were made Saturday, Dec. 10.

More than 120 families and 335 kids were recipients of the monthlong effort, said Organizer Audrey Butler.

"Social media made a big difference this year. We had two local businesses, AAA in Salem and Whiteaker Ellis in Tigard sponsored more than 100 of our gift tickets," she said. "As always, this has been an amazing year and a great group to work with."

Families are selected for the program through a partnership with Keizer schools.

## Ask Mr. Trash

**Q: What types of glass can be recycled?**

**A: Food grade bottles and jars only!** Other types of glass contaminate the recycling process and ruin newly made containers. That means, NO cups, dishes, candleholders, ovenware, window or mirror glass, or light bulbs. Thanks for your careful attention!
