Volunteers needed for city roles

The City of Keizer is looking for volunteers to serve on the following committees:

- The Keizer Points of Interest Committee identifies, authenticates, and memorializes sites of interest located in the Keizer area. Sites to be identified may be of the historical, geographical, botanical, or unusual nature. The Committee meets on the fourth Thursday of each month at 5:30 p.m.

- The Mid-Willamette Valley Community Development Partnership identifies regional community development priorities and facilitates regional, intergovernmental coordination of development initiatives. They may develop and approve regional development plans; oversee the implementation of development grant programs such as those funded by the US Economic Development Administration; advocate for regional development priorities; and provide formal, public forums for communicating regional concerns and priorities to state and federal agencies. The board meets once a year at the Council of Governments building in downtown Salem.

- The Festival Advisory Board serves as an advisory role to the City of Keizer by researching feasibility for developing venues for events and festivals, streamlining policies and ordinances for potential events, developing an all inclusive community calendar, and developing a marketing plan to enhance the use of Keizer area facilities for events, festivals, and conferences. The Committee meets on the fourth Monday of each month at 6 p.m.

Anyone interested in applying for a position can pick up an application at Keizer City Hall at 930 Chemawa Road N.E. To access an electronic version, go to www.keizer.org, or call Deputy City Recorder Debbie Lockhart at 503-856-3418 or email her at lockhartd@keizer.org.
