

# Become a Master Recycler in 7 weeks

Are you ready to go beyond basic recycling? Marion County has just the course for you.

The Marion County Master Recycler Program provides expert instruction to people who live and work in Marion County. The class covers all aspects of solid waste management and ways to reduce, reuse, and recycle as much as possible.

"Many folks wonder why we have an entire class on recycling," said Bailey Payne, Waste Reduction Coordinator for the County. "But once they get

into the class, they discover that we cover a lot more information than simply what can be recycled."

Those things include: how do commercial operations actually separate materials that are all mixed together in those blue roll carts; why all plastics are not alike; how does food waste get composted; and, where does all the garbage go if it doesn't go to a landfill.

The course, which runs for seven weeks, will be held on seven consecutive Thurs-

day evenings from Sept. 21 through Nov. 2, 2017. The class also includes two Saturday field trips to eleven local sites that the public seldom gets to see, such as the Covanta Energy-from-Waste facility, the Garten Services recycling center, and a commercial compost operation.

For more information about the class, people should visit the Marion County

website at [MCRcycles.net](http://MCRcycles.net), or contact staff by email at [environmentalservices@co.marion.or.us](mailto:environmentalservices@co.marion.or.us) or by phone at (503) 365-3191. The course is limited to 30 students and space is limited. Registration closes on Monday, September 11, 2016. The class costs \$25 and students must agree to complete 30 hours of relevant volunteer service upon completion.

### Glenn A. Meneice

July 20, 1954 - Aug. 3, 2017

Glenn A. Meneice, 63, of Kelso, Wash., passed away on Aug. 3, 2017, due to complications from cancer surgery.

G. Meneice

He was born July 20, 1954, in Portland to William and Dora Meneice. He grew up in Salem and later lived in Keizer, Carson, Wash., and Long Beach, Wash.

Glenn's kind and compassionate nature suited him well in his work as a caregiver. His gentle soul made it easy for people to love him. He en-

joyed taking care of family, friends and anyone who needed care. Glenn enjoyed life's simple pleasures and he found great joy in nature, animals and organic cooking.

He is survived by his daughter Krisna Meneice of Bellingham, Wash. Glenn was preceded in death by his mother and father.

A Celebration of Life Potluck will be held at 2 p.m. on Sept. 16, at Tam O' Shanter Park on Tam O' Shanter Way in Kelso, Wash.

The Keizer Traffic Safety, Bikeways and Pedestrian Committee had its most recent meeting Thursday, Aug. 17, here's what was discussed:

- A formal dedication of the new bike repair station at Keizer Civic Center was slated for Thursday, Sept. 14 at 5:30 p.m. The public is welcome to attend.

- Members of the board are hoping to connect with the Keizer Chamber of Commerce to boost local enrollment in Travel Oregon's Bike-Friendly Business program.

- Engaged in a conversation regarding how speed complaints are handled at the Keizer Police Department.

Sgt. Trevor Wenning said that most complaints are the result of perception rather than speeding, especially when cars are seen traveling around large curves such as the ones found on some Keizer streets like Parkmeadow Drive, Verda Lane and Ridge Drive.

When there is a com-

plaint, Wenning said data collectors are placed in the problem spots and then the complainant is invited to the police station to review the results.

"Most of the time, 85 percent of the vehicles are doing 1 to 2 mph over the speed limit," Wenning said. "We do know that there are vehicles traveling much faster at times, but it is hard to enforce."

If a problem is found, Wenning uses timestamps on the results to station traffic officers near the area.

- Wenning also reported that KPD's first Coffee with a Cop in August was a success. He expected to be talking with residents for 90 minutes and ended up talking for almost three hours. The most frequent topics were traffic-related concerns.
